Candy-
All right Prom night
it was a small
riot - I never realized
how sweet and cute you are
are until then - you are the
greatest. Best of luck in all
that you do. I hope for Paso
country - I won't.

Love,
Judy

Candy, (little sis)
you're an absolute doll!
and I don't want you ever to
forget the Prom -!! ha! ha.
You have a charming personality
& humor - even though this
is my last year here, I hope
we can become still closer
friends. Don't forget me - for
I will never forget you!

Lots of Love &
Luck -
Your big sis!

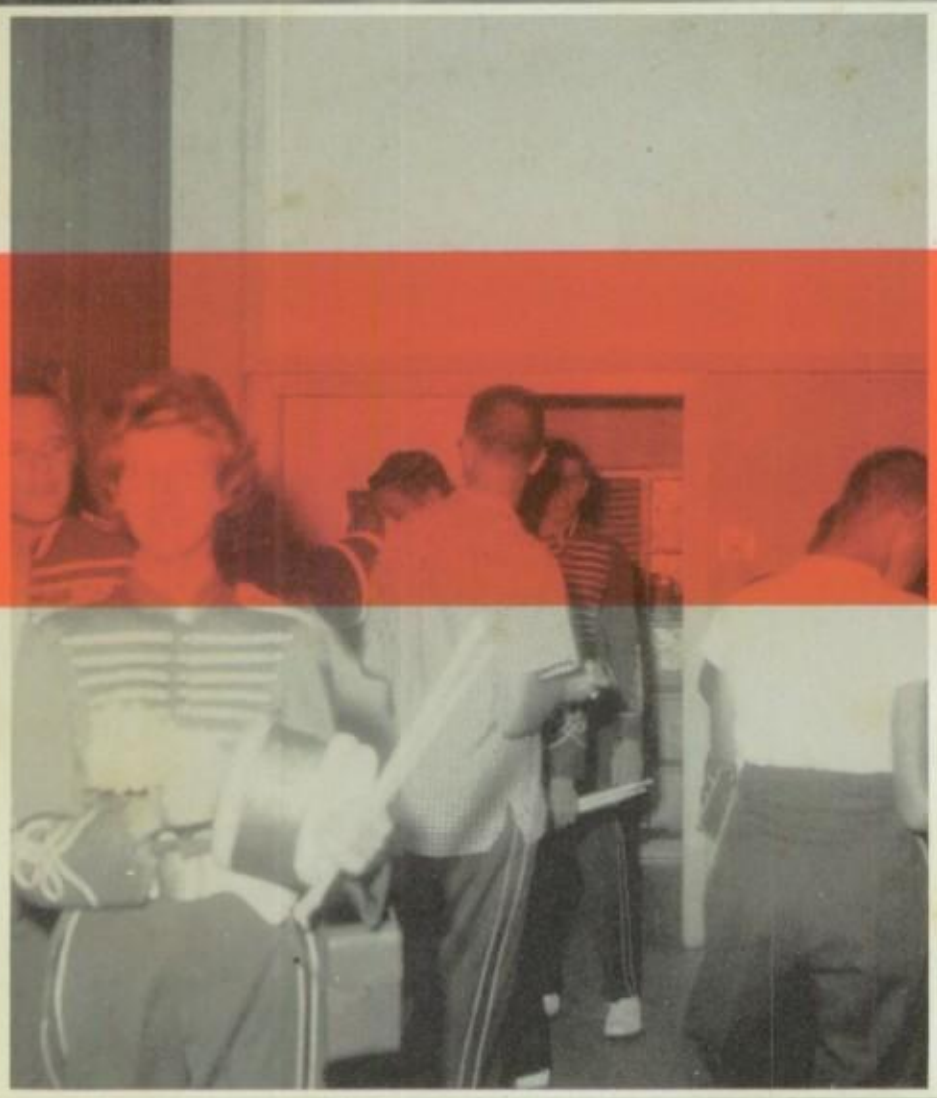
GAUNTLET

FOREST HILL HIGH SCHOOL WEST PALM BEACH, FLORIDA



FOREWORD

All who have become acquainted with Forest Hill High School during its brief history have realized that a mighty effort has been steadily exerted toward significant and worthy goals. The school staff, the student body, and the community have united to attain within a short time traditions and policies of the highest level.

This year, in recognition of the fine attitudes and endeavors of the student body, the *Gauntlet* Staff has chosen to portray the many facets of the academic and extracurricular life of the students.

"Life at Forest Hill High School" is more than a six-period day, more than a flashing picture at a football game, more than a finished project or program. It is a continuing drama of energetic behind-the-scenes planning and preparation—the network of experiences related to lessons and tests in the classroom, to campaigns and elections for offices, to decisions about proms and commencement, and to "practice for perfection" in speech and sports and music.

It has been our desire to capture youth in action, to provide a book of intimate memories for all who have shared this year.

The Alma Mater

O, FOREST HILL HIGH WE PLEDGE TO YOU
OUR LASTING LOYALTY.
WE ARE YOUR OWN, THE FAITHFUL ONES.
WHO'LL ALWAYS STAND WITH THEE.
THE MEMORIES HERE ARE DEAR ONES:
OLD FRIENDS WE'LL LONG TO SEE
OUR ALMA MATER. BEST OF ALL.
HOW DEAR YOU'LL ALWAYS BE.

Presented By
KEYETTES 1961

Lyrics and music of our Alma Mater were composed by John Munroe, our band director.

The VOICE OF YOUTH has spoken at Forest Hill High School . . . has been heard . . . has been heeded . . . has been respected.

The organization and growth of our Student Council into one of the leading groups in the state has resulted from the early recognition of high purposes, the steady establishment of worthy objectives, and the concerted efforts of elected representatives. With patience and loyalty to student body members as they have expressed their views and ideas, each succeeding Council has endeavored to strengthen student government and to accomplish worthy projects—all as a service to students, school, and community.

To express the high regard of the students for this fine achievement, the staff dedicates the 1962 GAUNTLET to the VOICE OF YOUTH. Long may it echo on our campus!

The Code of Conduct was adopted in 1961.

STUDENT

The Student Council strives to render service to all phases of the school program, to promote school spirit and student participation in all activities, and to strengthen the ties between the students and the faculty.

The Council attempts to further a growing appreciation of democratic processes by conducting discussions that lead to the formulation of new policies and regulations and by delegating responsibilities that enable committees to function smoothly. Every effort is made to give our student body a voice in the stu-

COUNCIL

dent government as the Council works to be a central coordinating structure within which the many student activities can grow and flourish.

Forest Hill High School is prominent in District and State Council activities, being President-Secretary of District V. Our school has been well represented at district, state, regional, and national meetings, and our students have gained much from these opportunities to associate with other high schools of our nation.

The official Council gavel was presented at the September, 1961, meeting by the Palm Beach County Branch of the American Association of University Women, represented by Miss Marian Morse and Mrs. Harry Bennett.

THE FALCON STAFF

assumes the responsibility of informing students and teachers of scholastic events and of major interests of the student body. The staff strives to produce the finest scholastic publication by stimulating awareness of good reporting and by stressing the responsibilities involved in honest, accurate, and effective communication.

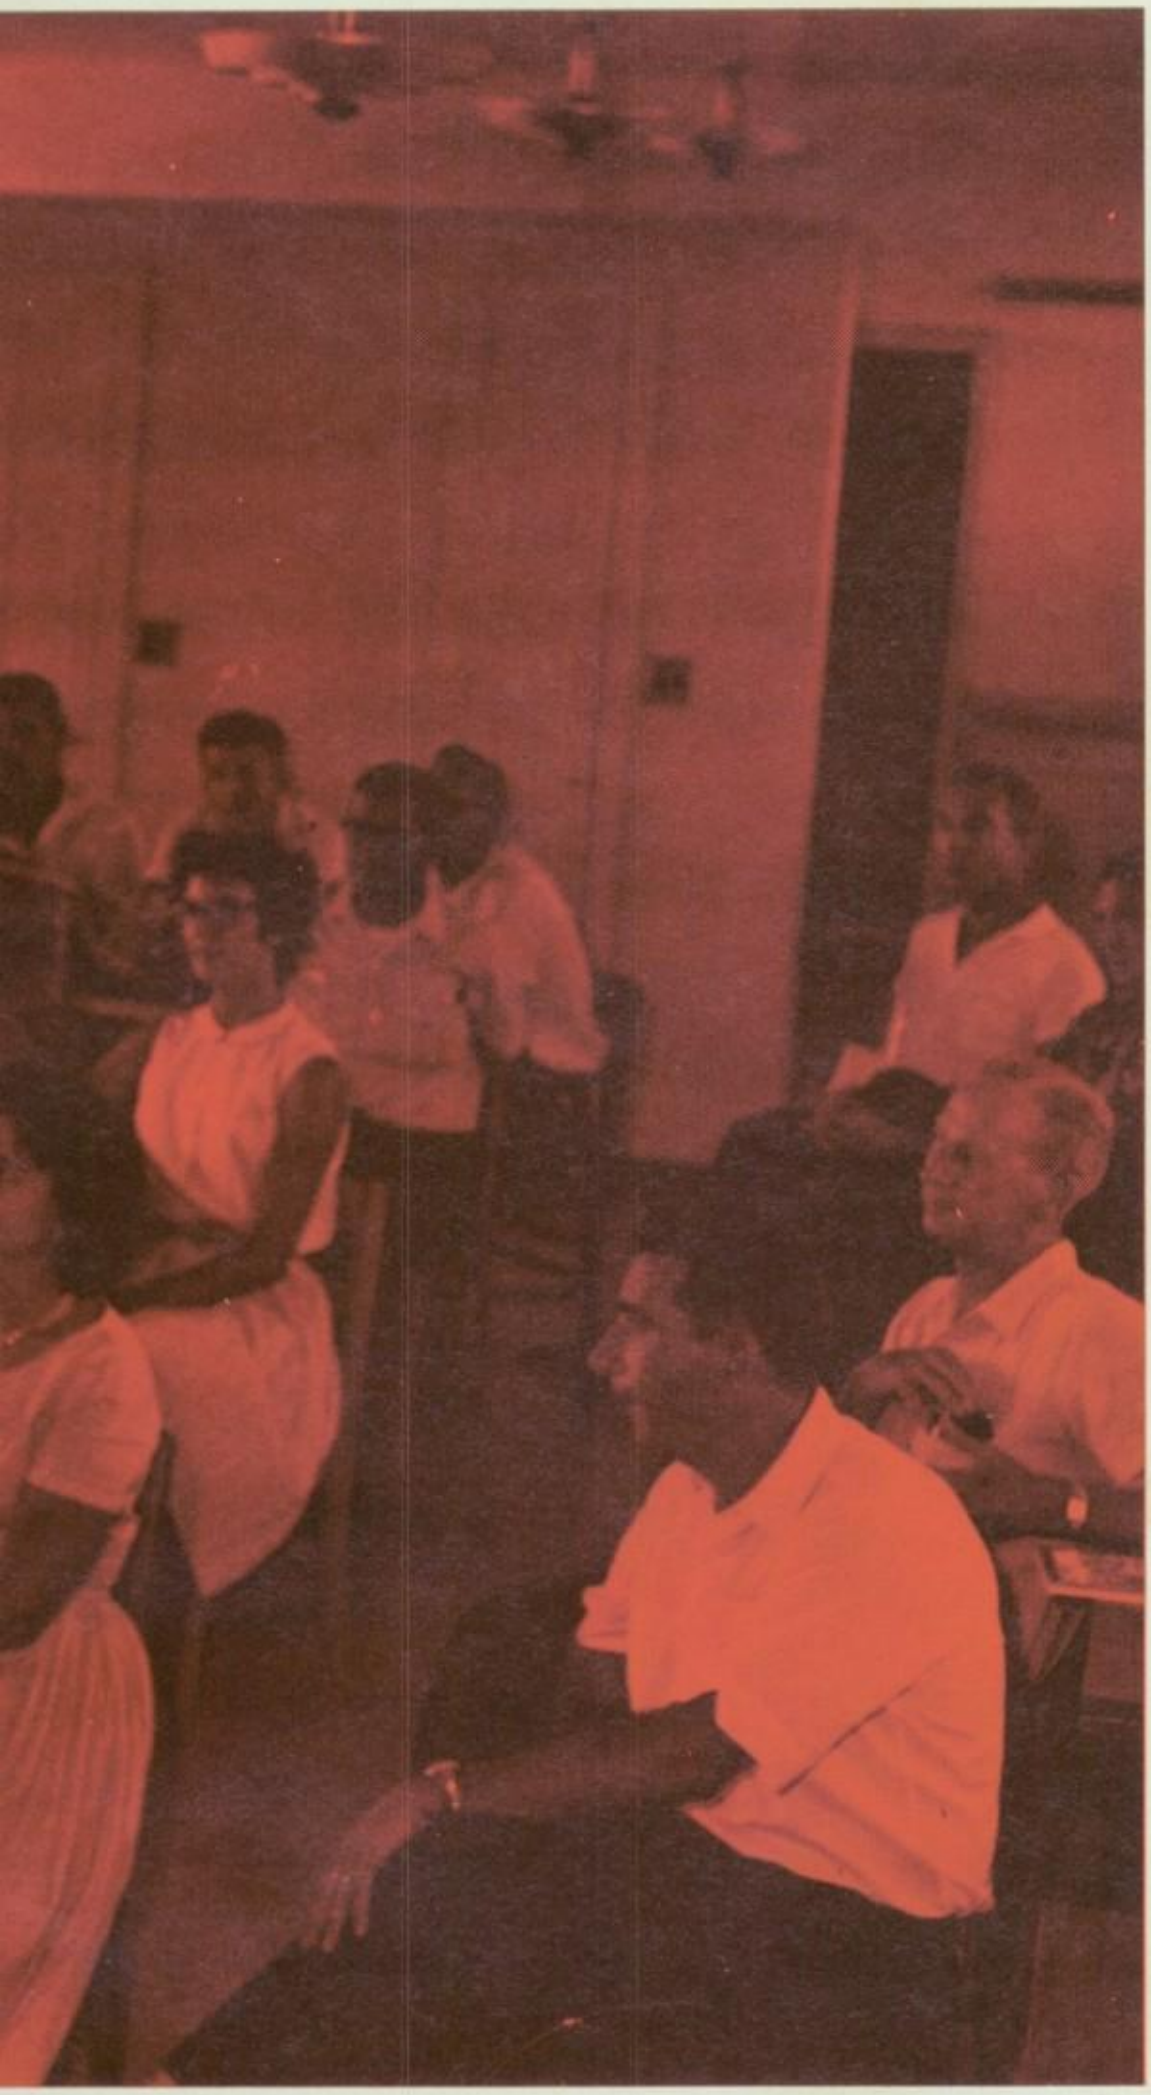
For the staff members, publication of *The Falcon* provides vital practice in basic English skills and introduces journalism as a potential career.

SIXTH ROW: Wainwright Love (Reporter); Joseph Rush (Reporter), Noland Thuss and Brett Davis (Sports Reporters).

THE GAUNTLET STAFF

seeks to tell the story of a year of school activities. Its purpose is to capture the year's highlights, those moments that will be cherished for their special memories, and to record the activities of the student body in all phases.

The responsibility of accomplishing this task rests with all members of the staff, which is composed of representatives of all classes. Students share in decisions and plans for all sections of the yearbook, with work coordinated by the Editor-in-Chief.



Candy —

Another year has flown by and our friendship has continued to increase! Let's keep it that way.

I hope we will ever going to do without these seniors, especially our dear "PACETTI"

I wish you the best always.

Remember to look for the best with a Smile!

God Bless You,

Love Ya,

ADMINISTRATION

BOARD OF PUBLIC INSTRUCTION

(Left to right) Ralph Kettler, Howell L. Watkins (Superintendent of Public Instruction), Thurmond Knight (Chairman of the Board), Harold Turner (Vice-Chairman of the Board), Milton Carpenter, and John Remsen.

The Board of Public Instruction is held responsible by the state and the county for the operation of schools. It makes the policies under which the schools are administered and has general supervision over the educational program. It sets the salary of personnel and enters into contracts with them.

The five members of the Board are elected for four-year terms. They hold at least two meetings each month.

BOARD OF TRUSTEES

The Board of Trustees works with the Superintendent of Public Instruction and with the principals in the nomination of teaching personnel for appointment. They review applications and check references that are submitted.

The three members serve for two years after election to office.

PRINCIPAL Frank O. Hobson

Behind every school is a man who formulates the school's basic plans. His life is devoted to the advancement and improvement of the school.

It is his job to maintain an efficient school staff and to keep everything running smoothly. We are very proud to have Mr. Hobson as our principal.

Mr. Hobson signs his message to the students.

To the Student Body:

I share with you the pride in our achievements of this year. I know that you will remember happily and fondly the many activities recorded for you in the '62 Gauntlet.

I feel that the fine guiding hands of our deans, guidance counselors, and teachers have combined to bring about our great accomplishments because of the cooperative spirit of you, the students. For this, I am personally grateful.

I wish success for all of you. To the graduating class, I express the sincere hope that you will be successful in future endeavors. To the underclassmen, I extend the challenge to follow the high principles that have guided those who are being graduated.

Very sincerely,

F. O. Hobson

Mr. Herschel Chaney

THE DEAN OF GIRLS

very capably guides her girls through high school, helping them to make decisions about courses to take and persuading them to make the best use of their time in school. She is never too busy to listen to a problem, and she always strives to reach the best solution.

THE ASSISTANT PRINCIPAL AND DEAN OF BOYS

efficiently combines his talents in administration and guidance as he ably performs his dual role. He assists Mr. Hobson in planning and carrying out the year's activities. He is delighted by a call to "teach" a class for part of an hour. At the same time, he is available to his boys for matters ranging from attendance to confidential discussions to assistance with club matters.

Mrs. Violet E. Gunby

To the Students:

We congratulate you on your achievements of this year and on your attitudes of cooperation and perseverance. We are proud to have had a part in your successes.

Working with you closely has given us the opportunity to know your problems and to observe your growth. We wish for each of you the high attainment of knowledge and position that will bring honor to you and your school and that will result in happiness for you and for all with whom you have been associated.

You will continue to have our interest and efforts. May you always remember that we are here to help you.

Very sincerely,

Violet E. Gunby

Herschel Chaney

To the Students:

It has been a great pleasure to work closely with you during this year. We hope that we have generated in each of you a desire to accept personal responsibility for your own development.

Please remember that your close contact with us, with the deans, and with your teachers will enable you to make the very best progress in high school and in the years thereafter.

Very cordially,

Gerald C. Daniels

THE GUIDANCE COUNSELORS

are available for personal and academic counseling. Their fundamental aim is to assist each student in individual development by helping him discover all of his potentialities and talents.

Achievement and aptitude tests are administered at various grade levels to provide students, teachers, and parents with information needed in planning course schedules and future careers. Extensive materials about colleges and occupations are provided for use by students in making decisions. Homeroom teachers are given appropriate materials for use in academic counseling. All of these services are accompanied by a genuine interest of both counselors in the individual problems of each student.

(Left to right) FIRST ROW: *Mrs. Mary N. Williams* (Speech, English III); *Mrs. Aileen F. McQuagge* (Journalism, English IV); *Mrs. Elizabeth M. Anders* (Seventh Grade); *Mrs. Lucile O'Bannon* (English II). SECOND ROW: *Mr. C. William Bailey* (English IV); *Mr. John C. Snider* (English III); *Miss Barbara E. Schiff* (English II and III); *Mr. H. P. Langridge,* Head of English Department (English II).

Tenth grade English students enjoyed our interne, *Miss Mary Ann Carroll.*

Seventh grade English is taught by *Mrs. Dorothy E. Macy.*

THE ENGLISH DEPARTMENT

strives to provide a basic program that develops communication skills for each individual student. Furthermore, it includes various activities designed to lay a proper foundation for adult needs.

Students are encouraged to improve in oral and written expression and to acquire effective listening, speaking, reading, and writing habits. Through the efforts of their dedicated teachers, they are led to appreciate the study of English in all areas as a way to gain insight into their own world and as a means to share their own ideas. Participation in debates and field trips are balanced by individual research and written papers; movies, recordings, and dramatization are preceded and followed by reading and writing.

Students find an abundance of research materials.

(Left to right) *Mrs. Ann Long Harter,* Head Librarian; *Mrs. Myrna Reams Partenza,* Assistant Librarian (Spanish I, English II).

(Left to right) *Mrs. Kathleen M. Nelson* (English II, French I and II); *Miss Harriette M. Shoemaker* (Spanish I and II); *Mrs. Virginia H. Love,* Head of Foreign Languages Department (Spanish II and III); *Mr. John W. Barclay* (Latin I and II, English IV).

Latin has its lighter moments.

French sometimes has an English accent.

THE FOREIGN LANGUAGES DEPARTMENT

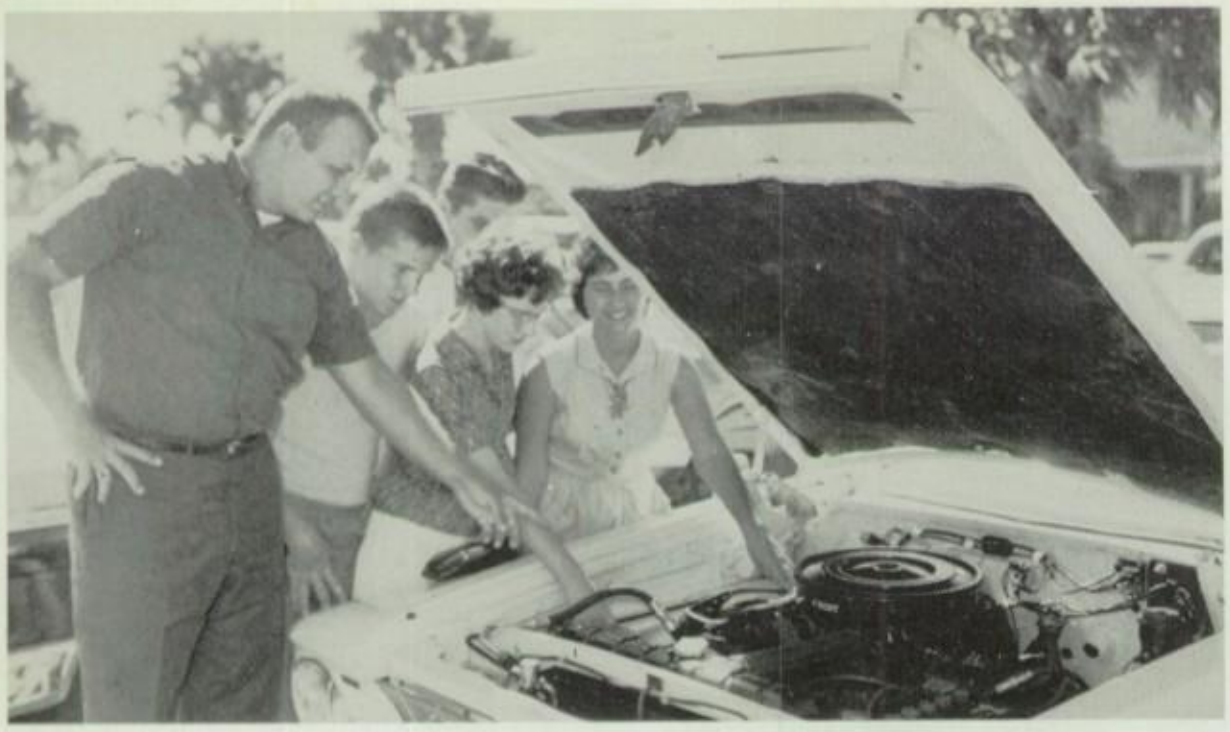
has many objectives, all of which are related to the students' personal development and to their contributions to mankind. The department encourages attitudes of understanding, tolerance, and appreciation of cultures of other countries at the same time students are learning to pronounce, speak, read, and write in a foreign language. Students share their skills with the student body at special programs.

Advanced classes study with a view toward continuing their courses in college, and many students contemplate using their abilities in speaking a "second" language as a stepping-stone to careers in government and industry.

THE LIBRARIANS

seek to carry out the philosophy of the school by providing the materials, space, and atmosphere most conducive to the effective growth of each student. The books, the magazines, the newspapers, and the audio-visual aid equipment are procured to meet the needs and interests of both teachers and students. "At your service" are student assistants as well as the efficient librarians.

Study halls have access to reference books and the daily news.



Mr. Jacobs instructs his class in the mysteries to be found under the hood.

Mr. A. W. Carpenter, Head of Driver Education Department

THE DRIVER EDUCATION DEPARTMENT

seeks to develop good attitudes and courteous habits as well as the knowledge and skills of driving itself. Students are reminded continually of the safe and correct driving procedures that they must follow in order to save lives and to protect property.

One hundred fifty students are enrolled each semester, and many of these obtain their drivers' licenses at the conclusion of their course. During the summer a group of forty students are permitted to enroll for the six weeks' course.

SECOND ROW: *Mrs. Margaret Morgan Bass* (Contemporary Problems, World Geography, World History); *Mr. Robert D'Angio,* Head of Social Studies Department (Problems of Democracy, Contemporary Problems, World Geography); *Mrs. Catherine E. Jenkins* (American History); *Mr. Butler B. Wilson* (World History, American Government).

Mrs. Helen R. Pink, Coordinator of Diversified Cooperative Training

Parliamentary procedure is studied by DCT members.

THE DIVERSIFIED COOPERATIVE TRAINING DEPARTMENT

works to create a desire in the students for genuine efficiency on the job and to develop individual responsibility for work done. Students receive training in proper work habits and guidance in personal development, both provided to help them advance in their chosen occupations.

Our DCT students participate very actively in the many "behind-the-scenes" activities of the Senior Class by assisting the Seniors in ordering all items concerned with graduation.

The teacher's explanations aid students as they listen to reports on world events.

THE SOCIAL STUDIES DEPARTMENT

provides to students not only the subject matter of history, geography, and related courses but also the opportunity to evaluate these academic materials in order to develop good critical thinking. A major emphasis is given to the content which embraces the history of the United States and its heritage, including present-day developments.

Students are encouraged to participate in discussions and self-expression representative of a democratic society as their teachers make every effort to present the American way of life in its true perspective.

Students learn a variety of skills in woodworking shop.

Mr. R. W. Jackson, Head of Industrial Arts Department

THE INDUSTRIAL ARTS DEPARTMENT

gives boys an opportunity to create something tangible, promotes interest in hobbies, teaches the proper identification of tools and materials, and provides many opportunities for working with others. Each boy is helped to recognize his own abilities and to understand how these may be used in various occupations.

At all times, boys are expected to share the tasks of planning, organizing, and carrying out their projects. As they become more dependable, they recognize the importance of this personal responsibility in their present work and in their future careers.

Office practice students develop production skills.

Wagner* (Basic Math, Algebra I); *Mr. Benjamin Sweeting* (Seventh Grade Math); *Mr. Fred Barshell,* Head of Mathematics Department (Algebra I and II).

The latest equipment is used in all courses.

THE MATHEMATICS DEPARTMENT

gears its courses to fulfill the needs of many students with many different goals by providing a variety of experiences in the almost exploding field of mathematics. The department urges each student to attain his highest potential, thereby making his individual contribution to the space-age efforts of our citizens.

The courses offered range from basic mathematics for those wishing or needing to increase their abilities in the fundamental processes of arithmetic to the advanced courses provided for those interested in technical fields.

THE BUSINESS EDUCATION DEPARTMENT

includes in its courses the general education to develop understandings of business institutions and economics and the special education to teach skills required in various beginning business positions. The office practice courses enable students to combine understandings and skills with practice in realistic activities similar to those they will experience on the job.

Personal typewriting is offered during each semester and the summer, permitting many students to acquire skills for personal use. All students of our school are urged to investigate the courses offered in business education, for the teachers of the department feel that knowledge of business and industry is needed by all.

THE SCIENCE DEPARTMENT

accepts the obligation of striving to prepare our students to meet the challenge of living in today's highly complex scientific age. It seeks to provide courses that will guide students in making intelligent decisions as they attempt to adjust to the realities of their day.

Working individually or in groups, students have opportunities to experiment, to perform research, and to exchange ideas related to the scientific principles they study. Up-to-date courses are offered to students who plan to concentrate on science as a career or a hobby, and new curricular developments are included in courses as their worth is proved.

The department seeks to aid studnts in appreciation of science as it is related to other areas of study, this as a vital factor in their preparation to meet the problems of the day.

Biology I students learn to use microscopes.

THE HOME ECONOMICS DEPARTMENT

prepares students for the responsibilities and activities of the home by providing units of work designed to demonstrate the best uses of human and material resources.

Girls study how to maintain satisfactory personal, social, and family relationships. They are taught how to maintain health and safety in the home. Finally, they learn how to select and care for furnishings of the home. Foods and clothing units continue to be very important in the courses offered, but the other areas are extremely interesting to our future homemakers.

Physics students experiment with many instruments.

Art projects range from block printing to sculpture.

THE ART DEPARTMENT

believes that each student has an innate sense of design and an urge to express himself aesthetically. It provides activities to help students understand and appreciate the arts so that they may live fully and be prepared for places of leadership in our country's future.

All art media and all the current philosophies are explored by students as they experiment with ideas and form and color. They are led to become acquainted with their community's public buildings, parks, museums, artists, architects, and craftsmen; from their knowledge of these, they gain appreciations of their environment and realize their own responsibilities as citizens.

Mrs. Barbara B. House, Head of Art Department (Art I, II)

(Left to right): *Mr. John Munroe,* Head of Music Department (Band, Orchestra); *Mr. Russell E. Myers* (Music Appreciation, Chorus I and II).

THE MUSIC DEPARTMENT

offers courses in all phases of music education in order to meet the needs of all students who have an interest in music. Intermediate and advanced levels in the fields of band, string orchestra, and chorus are included each year. A large extra-curricular program is carried on for those interested in popular styles and in advanced classical study, including the dance and jazz bands.

Each year, traditionally, many individuals and small groups compete in district and state competitions for awards. For several years, we have had the largest entry in Florida in these events.

Students who do not desire to play an instrument but who wish to learn more about both modern and classical music may enroll in the music appreciation courses offered each year.

The chorus rehearses for special assembly programs.

The daily "concert" is conducted during sixth period.

THE PHYSICAL EDUCATION DEPARTMENT

provides many opportunities for worthwhile experiences in health and physical education. The department plans its courses to contribute to the normal physical growth and development of students, to assist students in achieving sound mental health, and to develop skills and attitudes necessary for the intelligent use of leisure time.

Students participate in calisthenics, in group games in which skills are learned, and in organized programs of competition among classes. Democratic citizenship, social etiquette, and sportsmanship are practiced, as are the principles of cooperation and leadership. Activities are planned to give students a total program that will help them to become well-integrated individuals whose philosophies of life are based upon sound mental, physical, social, and emotional values.

Individual and team skills are needed in a lively game of cage ball.

Volleyball remains a favorite team game among the girls.

THE SECRETARIES

are responsible for the smooth operation of the main office, the dean's offices, and the guidance office. Their swift and accurate handling of messages, their cheerful willingness to obtain information, and their careful typing and keeping of records enable teachers and students to carry out responsibilities without delays and inconveniences.

Many of our students receive training in performing the job of receptionist under the guidance of the secretaries. The entire student body benefits from services that extend from the "band aid" department to the "lost and found" drawer to the typing of transcripts for college admission.

THE CUSTODIANS AND YARD MEN

maintain our buildings and grounds in excellent condition, revealing their pride in our beautiful school and campus. They are "on call" to make repairs, to move anything from a potted plant to an entire set of bleachers, and to solve the mystery of "lost" books.

The devotion to their responsibilities revealed by these men has helped to create within students and faculty an increased desire to have the cleanest, neatest, and best equipped school in the area.

THE CAFETERIA STAFF

plans, prepares, and serves us rapidly and efficiently each day, providing a varied menu suitable to the weather and the season. The ladies are always willing to help the faculty and the various clubs prepare for special events. Their smiling faces and willingness to work makes the cafeteria an enjoyable place for us.

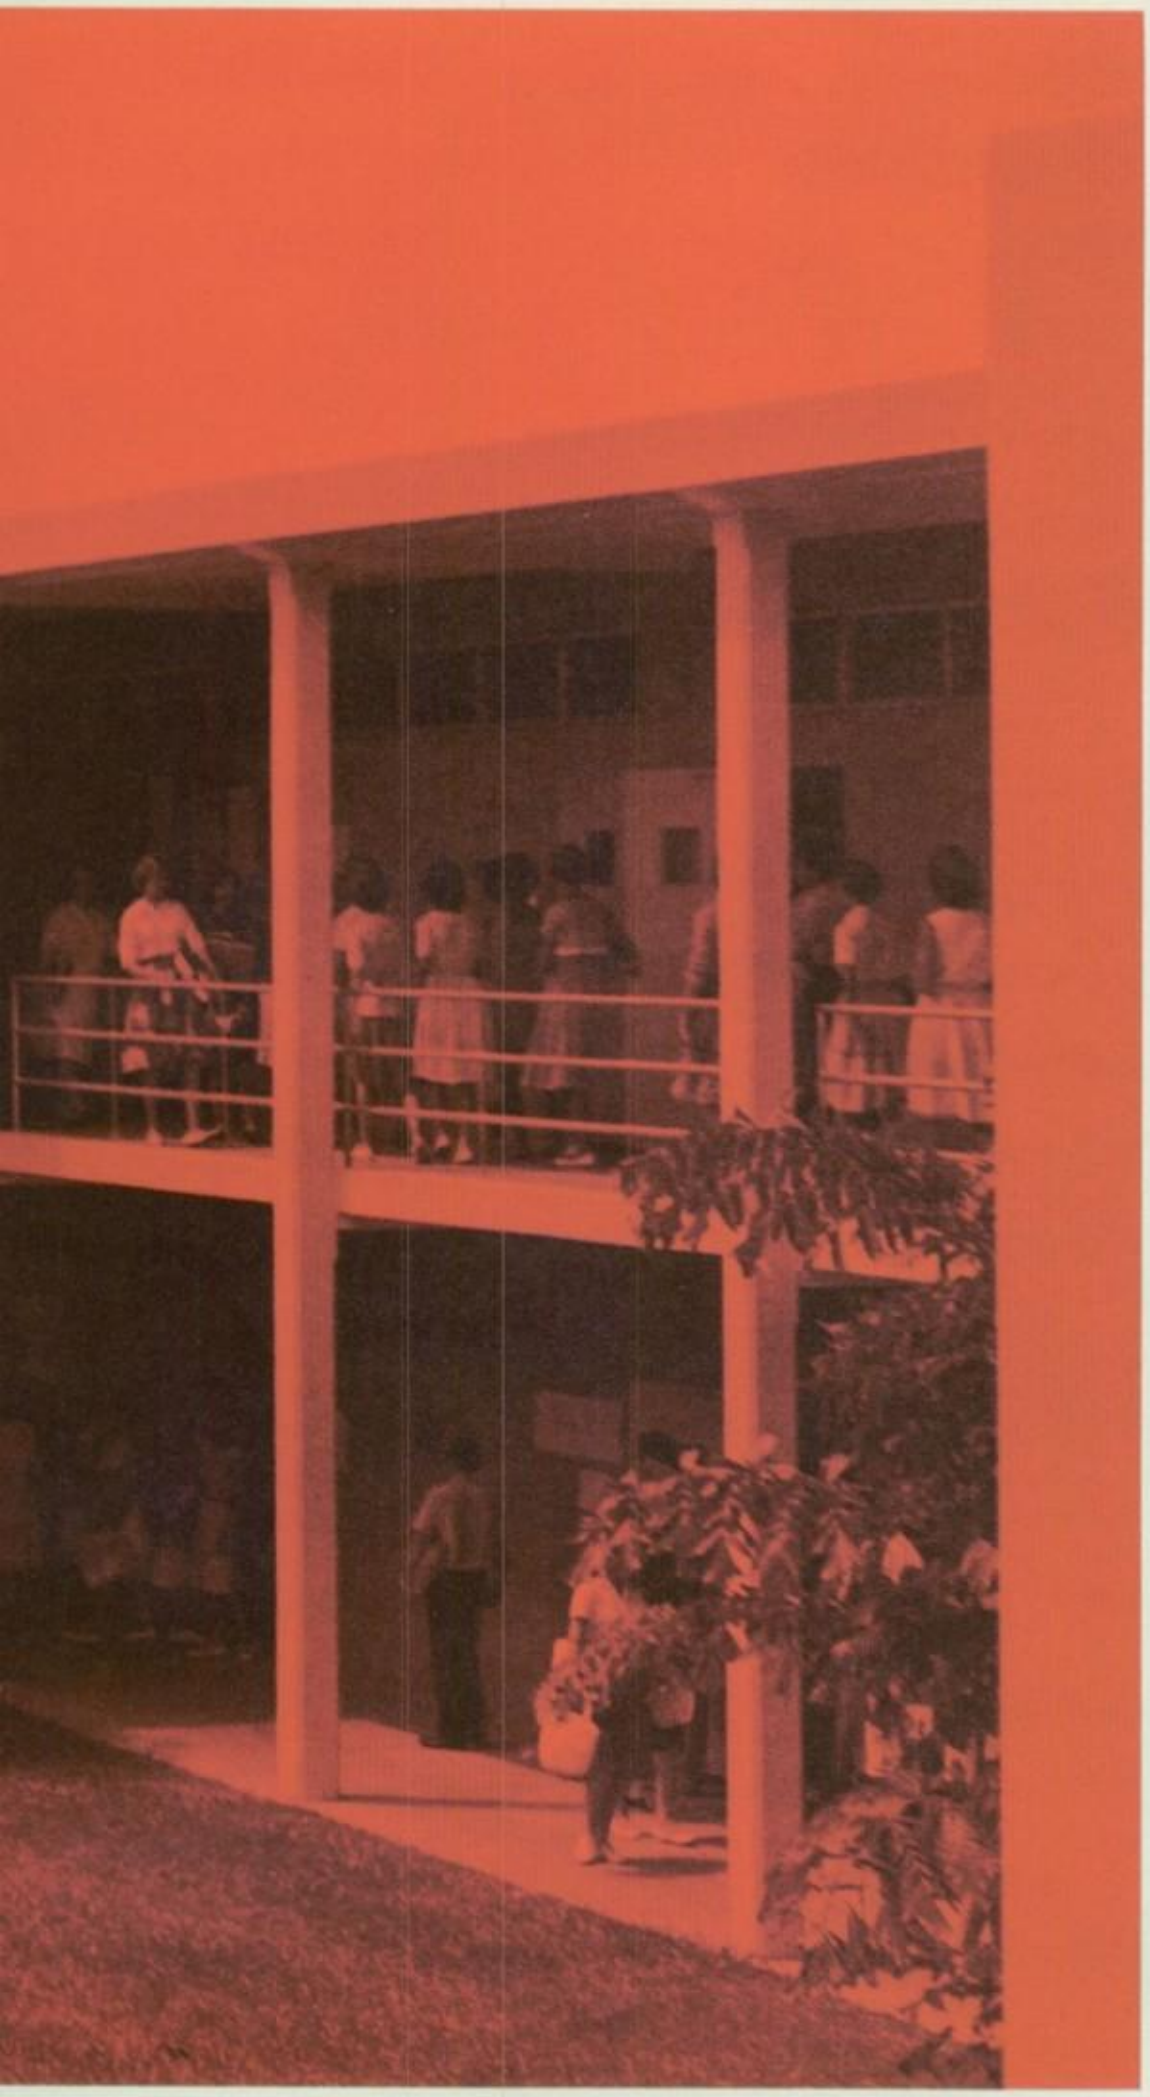
We realize that the use of the cafeteria as a "gathering place" is made possible by the cooperation of these capable workers.

Emanuel Metzger

THE SCHOOL TRAFFIC OFFICER

is responsible for the smooth and safe movement of traffic at our school. He directs students and parents in the morning and afternoon to prevent traffic jams and to assure that no accidents occur. He is on hand for athletic events and evening activities.

We appreciate his unfailing courtesy and efforts to teach us, always cheerfully, the proper routes to approach and leave the school to avoid loss of time.



CLASSES

CLASS

SENIOR CLASS PRESIDENT
Michael Fisher

The Class of 1962 is the second senior class to be graduated from Forest Hill High School. However, in many respects it is the first class at Forest Hill that has achieved the rank of "senior" in the routine fashion of high school students.

Unlike the members of the Class of 1961, which had been the top class of the school from tenth grade through twelfth grade, the members of the Class of 1962 have progressed from the status of underclassmen. Many began in ninth grade at Forest Hill in 1958, when the school was opened.

Following the traditions set by the previous graduating class, the Seniors relished the privileges of entering and leaving assemblies before other classes and of having a special lunch line. They could recall vividly their feelings of envy when the traditions were established last year. They have enjoyed occupying the newly marked Senior parking area and find this privilege a genuine time-saver in their busy days.

The outstanding "firsts" that will be remembered by the Class of 1962 will be the dedication of Falcon Field and the first homecoming celebration at whicch lovely Diane Felsing reigned as Homecoming Queen. The fine record made by the varsity football team increased the appreciation of the new football field.

President Michael Fisher ably succeeded Thomas Mann, who had served a successful year as Junior Class President. Directing the activities of Senior Board members and working with the Senior Sponsors to carry on class business, Mike proved to be resourceful and indefatigable. The Seniors' first project of the year was the "Get-Acquainted" Dance in September. At the end of the first semester, the Seniors arranged the "Mid-Term Madness" Dance, providing an exciting and hilarious evening for the entire student body.

The Class of 1962 elected Sharon Carpenter to serve as Senior Editor of the *Gauntlet* staff to record the story of their Senior year.

Details of all activities are worked out by the class officers: President Michael Fisher, Vice-President Diane Felsing, Secretary Robin Bowe, and Treasurer June McDonald.

The decor set the mood for a romantic evening.

Entertainment was provided by the De La Cruz dance team.

Beautiful belles and handsome gentlemen reveled in the glamour of the occasion.

CORONATION BALL

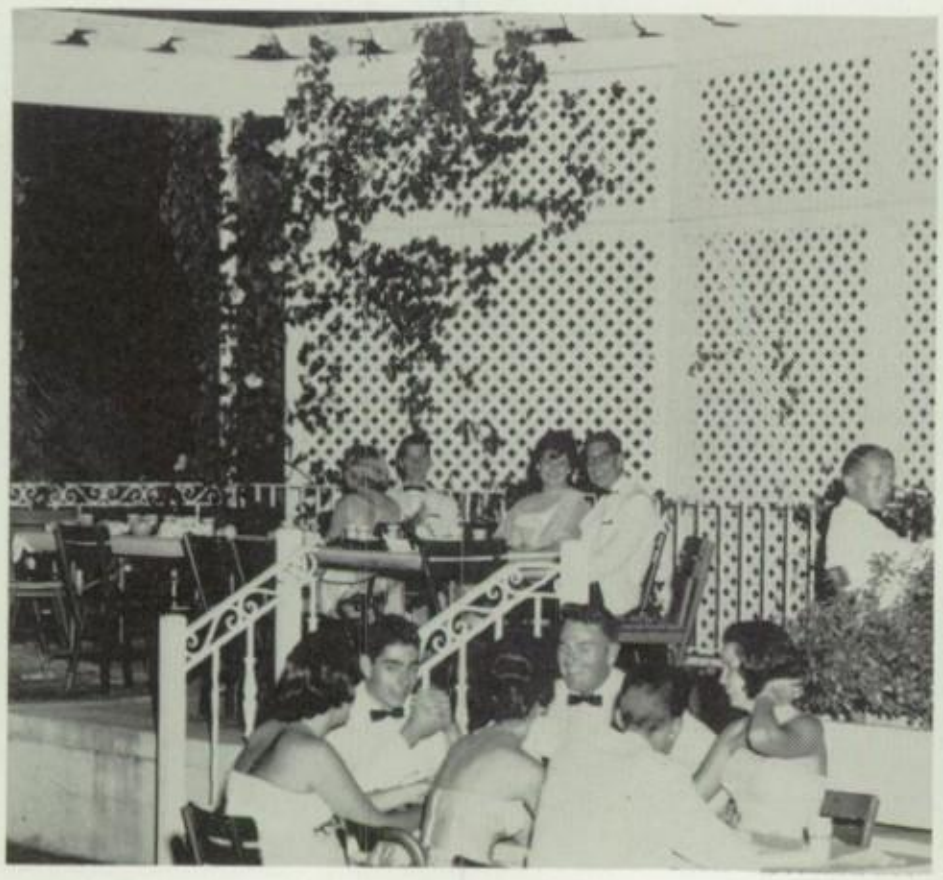
The Coronation Ball, Forest Hill High School's first Junior-Senior Prom, was held April 28, 1961, at the Henry M. Flagler Museum in Palm Beach. Throngs of elegantly gowned ladies and handsomely attired gentlemen transformed the patios, halls, and ballroom into a mystical land of enchantment.

The romantic atmosphere combined with the music of Don Roberts' orchestra to provide an evening of unforgettable memories.

Thomas Mann, chosen president of the Class of 1962 for the junior year, made a formal presentation to the members of the Class of 1961 at the stroke of nine. The king and queen of the ball, Johnny Emmett and Joan Calhoun, proceeded along the red carpet to assume their roles of honor.

Favors and dance programs carried the class's motto, "We build the ladder by which we rise." The flower, a rose, and the colors, red and gold, were used to carry out the theme of the ball.

Queen Joan and King Johnny presided over the festivities.



Guests enjoyed the patio.

Teachers joined the party.

CLASS OF 1963

The Class of 1963 was officially organized in September, 1961. A rousing campaign preceded the election of officers, who immediately held meetings to outline the activities of the year and to enlist the cooperation of the Juniors in an all-out effort.

Presidents of homerooms were given the additional responsibility of serving on the Junior Board. They assumed chairmanship of the numerous committees connected with the magazine drive and the Junior-Senior Prom.

JUNIOR CLASS SPONSORS

Sponsoring the Class of 1963 are (left to right) Mr. J. W. Westbrook, Miss Barbara E. Schiff, Mr. John W. Barclay(Chairman), Miss P. Josephine Plumlee, and Mr. A. E. Oliver.

Junior Board met at Flagler Museum in January to begin plans for the Junior-Senior Prom.

Mr. Bedford, Museum Director, discussed plans for serving refreshments with Mr. Barclay and Board.

Mr. Saunders, assisted by Junior Class President Larry Krieger, inspired the class to exert their best efforts in the magazine drive.

Ambition paid off for magazine drive winners Betsy Moon, Owen Gassaway, and Carol Cox.

JUNIORS EXCEEDED GOAL . . .

The Junior Class executed its annual magazine drive with high totals and smashing success. The total of subscriptions sold reached past the $4,000 goal to 4,199.53. Of this amount the Junior Class received $1,456.26 to finance its activities.

The most successful salesman was Betsy Moon with a total of $151, followed by Carol Cox and Owen Gassaway, running a close second and third.

The faculty co-chairmen of this drive were Mr. J. W. Westbrook and Mr. A. E. Oliver. They joined the Juniors in expressing deep satisfaction with the results, for they had topped both last year's record and this year's Lake Worth High School's total.

Ambitious prom committee members rested while awaiting the next job.

. . . AND PLANNED *BIG* PROM

Uppermost in the minds of the Junior Class, as with every class of Juniors, was the image of a fabulous, glamorous Junior-Senior Prom. The evolvement of this gala affair was accomplished by the hard, persistent work of the prom committee.

Obtaining the ballroom, selecting the entertainment, planning the refreshments, and decorating the scene were tasks gladly performed by committee members. They received their "thank you's" as they heard the gasps of delight and exclamations of pleasure of the prom guests.

The boys rearranged "umpteen dozen" chairs.

"A million laughs" were combined with work, work, work.

The girls applied artistic talents to decorating tasks.

HOMEROOM 7-3

Forest Hill High School has played host to more than two hundred boys and girls who needed a temporary "home" for this school year—the seventh graders designated for the new junior high school being constructed in the western end of our school district.

The faculty and students of the high school surrendered classrooms and shared all facilities of the school in a sincere effort to make "our guests" feel at home. In return, these enthusiastic students have supported the teams and have attended the programs presented by the various groups of the high school.

FOURTH ROW: Charles Walker, Paul Plante, William Mitchell (Treasurer), Edward Bell, James Adams, Linda Morris, Elizabeth Anders (Homeroom Teacher).

HOMEROOM 7-6

When Jefferson Davis Junior High School opens its doors to approximately five hundred boys and girls in grades seven through nine (next fall), "our guests" will enter as a well-organized eighth grade unit. They will have had a strong curriculum of English, mathematics, geography, science, and physical education, with added experiences in chorus and band instruction.

It is to be hoped that when "our guests" return to Forest Hill in 1964 as entering sophomores they will recall with happy memories their year as seventh graders in a "borrowed" home.

Cathy, Janet,
you are a very nice
pair and should jump
to cadethian (if you know
what I mean!) We know
might go to U of SC homecoming—
if you still not sitter or anything!
Be good, and good luck at F.H. and
college.

Love
Mike D

Candy:
I hope the future will serve to increase our friendship. I value your friendship highly — I hope you are always kind to that one person - (& you know who!) It seems aged since we first met —
Until next year —
As always,
Anne

SPORTS

SALUTING OUR COACHES

ATHLETIC DIRECTOR
Robert Riggs

Under the guidance of our coaches, the activities of the athletic department of our school revolve around the basic principle that academic achievements are of great importance. Students are urged to perform well in all courses taken.

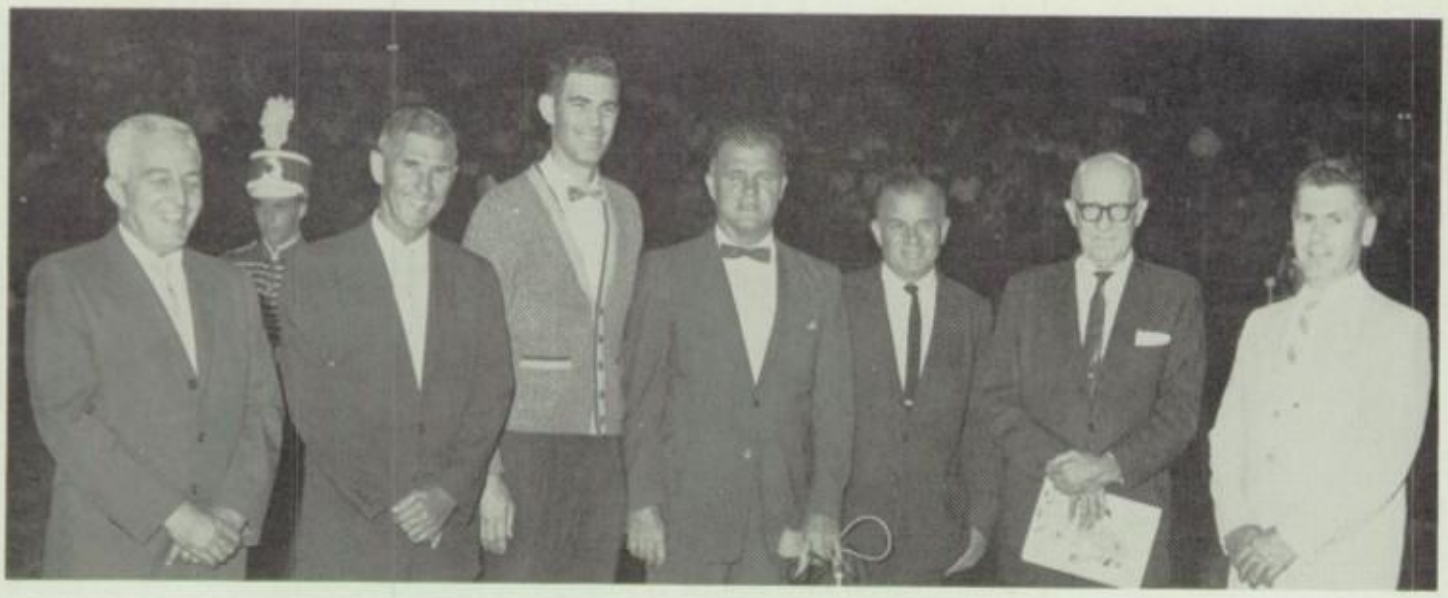
Sportsmanship is encouraged in the student body as well as in the teams and in the individual players. Team sports are a part of the total athletic program, and skill-building is carried on in the regular physical education classes.

The cooperation of the parents and the community has been earned by the coaches. They have received the fine support that is needed to produce winning teams.

We salute our teachers who serve as coaches for their conscientious approach to an excellent athletic program.

(Left to right) FIRST ROW: Robert Wagner, (Head Coach, Basketball). George May (Head Coach, cobs (Head Coach, Track; Defensive Line Coach, Football), Lee McKinney (Head Coach, Golf; Offensive Line Coach, Football). SECOND ROW: Thomas Cross (JV Coach, Basketball; End Coach, Football), A. G. Botney (Head Coach, Swimming), Robert D'Angio (Head Coach, Basketball), George May (Head Coach, Tennis; Back Coach, Football).

COACHING STAFF



(Left to right): Horace Cunningham, first president of Forest Hill High School Boosters' Association; Ralph Kettler and Milton Carpenter, members of the Board of Public Instruction; Principal Frank O. Hobson; Lake Lytal, County Commissioner; Howell L. Watkins, Superintendent of Public Instruction; Harry Trotsky, President of Boosters' Association.

DEDICATING FALCON FIELD

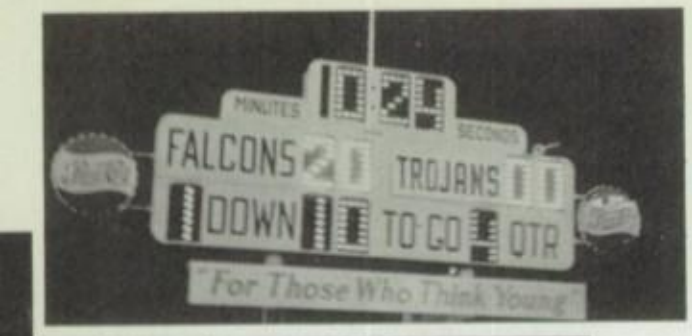
As a result of the diligent planning and untiring efforts of the Palm Beach County Board of Public Instruction, the Forest Hill High School Boosters' Association, and many enthusiastic supporters of the Falcons, students and patrons witnessed the dedication of Falcon Field on September 22, 1961. All were impressed with the modern construction and superior landscaping, which make the field one of the most beautiful in the country.

Numerous dignitaries and hundreds of spectators gathered to watch the impressive dedication ceremonies. Among the guest speakers were Superintendent Howell L. Watkins, Chairman of the Board Ralph Kettler, and Boosters' President Harry Trotsky.

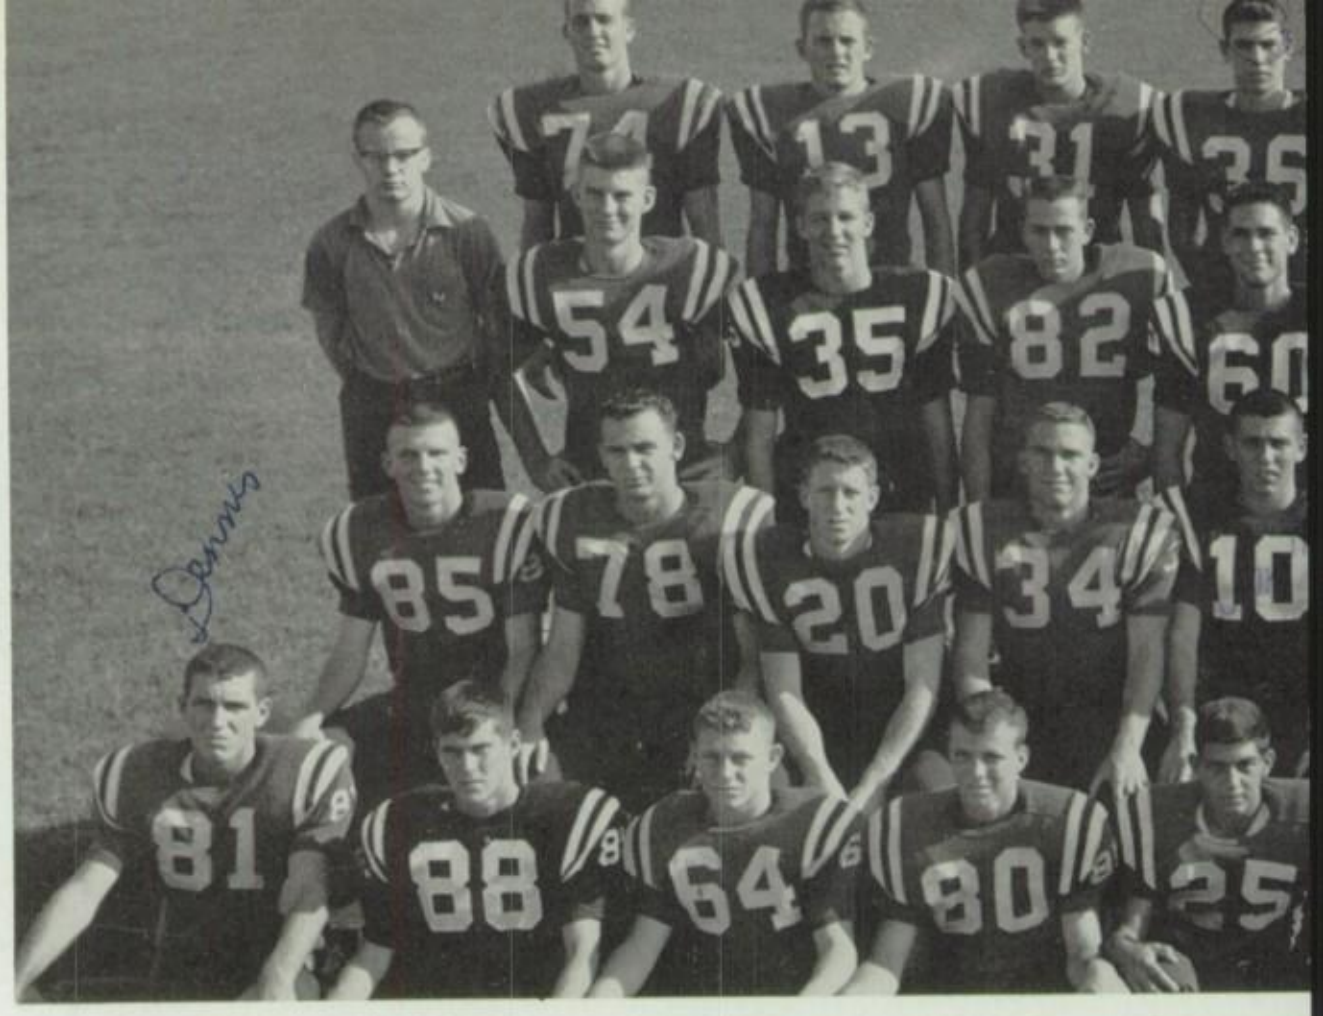
In addition to the many athletic events that will take place on the field annually will be the commencement exercises each June.

"MAKE that tackle!"

An unidentified Falcon downed a Belle Glade player in the closing moments of the second quarter. Other Falcons on the play were F. Odena (77), J. Daniels (74), T. Trotsky (70), P. Liebla (73).



Mixed emotions filled the Falcons, as they watched their teammates run over Lake Worth 20-0.

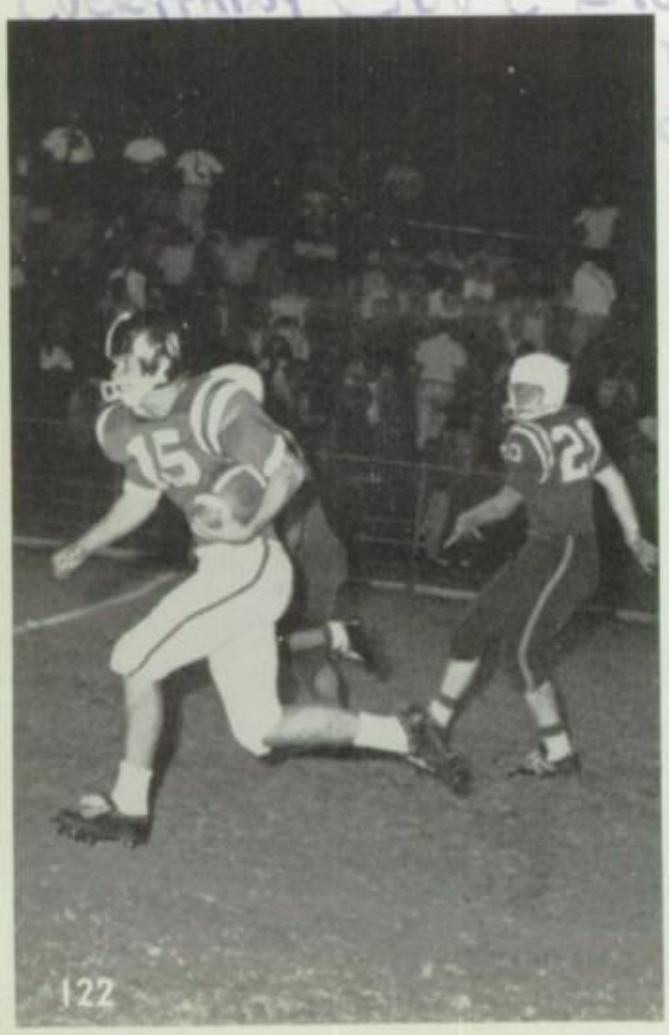


(Left to right) FIRST ROW: Dennis Fenton, John Cushman, Roger Haines, Joe Kirby, Ronald Ayoub, Richard Everhart, Tim Finch, William Rongione, Rene Corbitt, Jack Elkins. SECOND ROW: Murray Shatt, Joe Rush, Phil Galioto, John Carroll, John Watson, Tadziu Trotsky, Fred Odena, Michael Fisher, Dan Cushman, Paul Liebla.

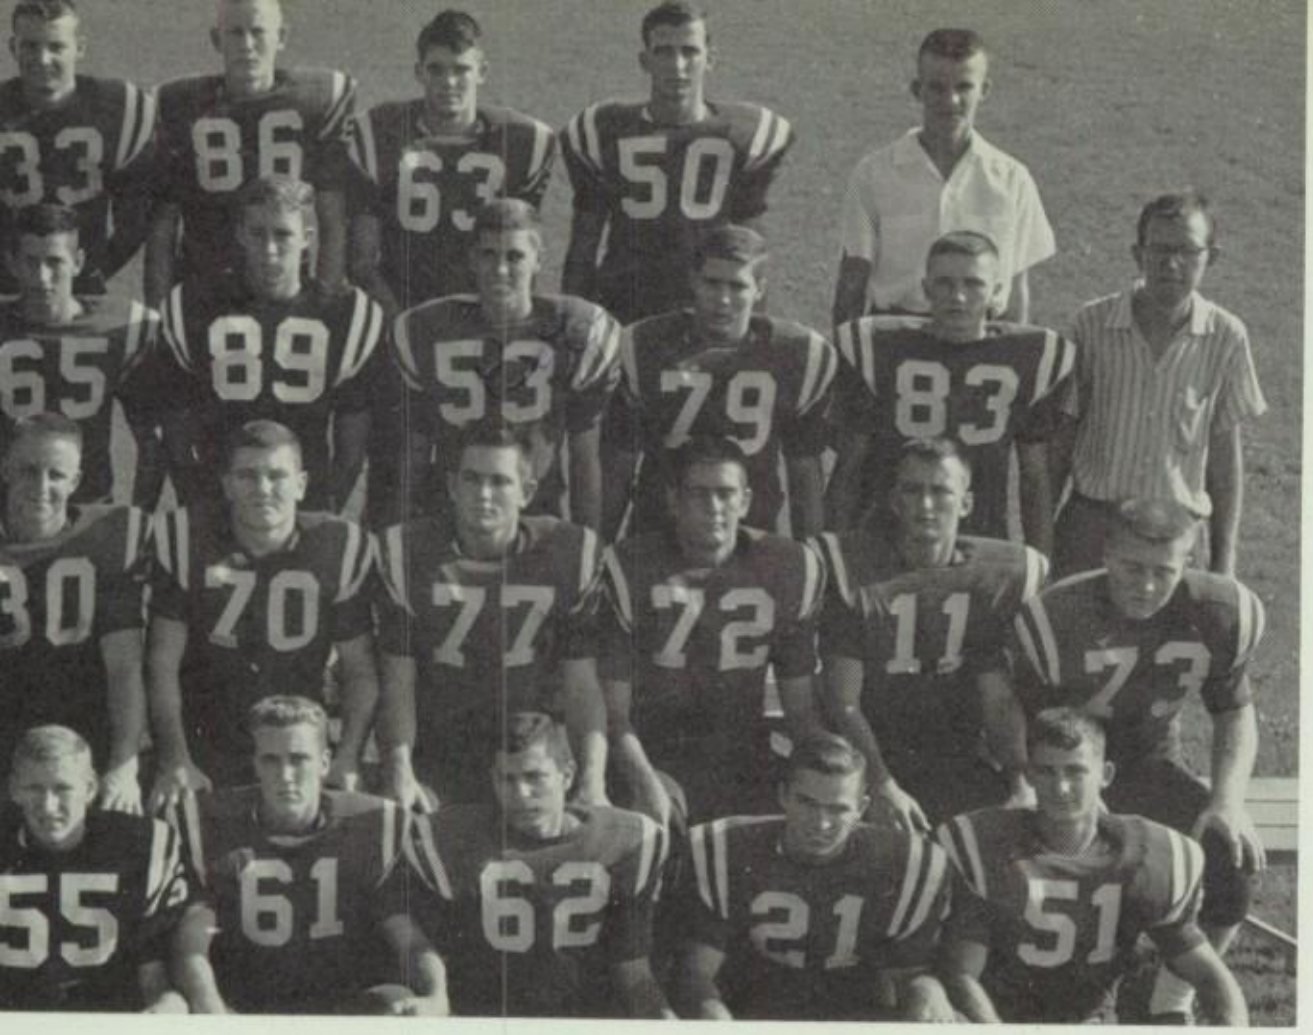
VARSITY

Summer traning camp, an innovation to Forest Hill football, proved to be of great value during the '61 season. Although the Falcons were plagued by injuries to key players, the gridders, under the direction of Coach Robert Riggs, were serious contenders for the Suncoast Conference championship. Sparked by returning lettermen, the Falcons wound up with a 6-4 record. Their greatest triumph was that of defeating Lake Worth 20-0 while hundreds of fans in the stands cheered them to victory.

As Lance Winter (15) of Palm Beach High tried for a touchdown in the first quarter, Phil Galioto (20) and an unidentified Falcon turned to bring Lance down.



As Belle Glade's Frank Kruze (34) went for yardage, Rene Corbitt (21) and Dennis Fenton (81) waited to bring him down.



THIRD ROW: William Knapp, Calvin Campbell, Charles Clarkson, Robert Montgomery, Sammy Jones, John Lynch, Ronald Gornto, Robert Holt, Michael Doane, Bristow Watson, George Brownlee. FOURTH ROW: Jack Daniel, Howard Whittington, Marshall Smith, Paul Joseph, Roger West, James Slater, Harold Skaggs, Frank Haire, Peter Parsons.

Top: Coach Riggs introduced Senior players to the student body at the pep rally before the Palm Beach High game.
Bottom: Students, who had observed "quiet day," cheered lustily, "Beat Palm Beach!"

John Carroll (34) gave Phil Galioto (20) blocking while Phil tried to gain yardage aginst Palm Beach during second quarter.

FOOTBALL

The rock-solid line (consisting of centers Jack Elkins and Richard Everhart; tackles Michael Fisher, Fred Odena, and Tadziu Trotsky; guards Sammy Jones and William Rongione; and ends Joe Kirby and Robert McLaren) prohibited Falcon opponents from scoring. These determined linemen also cleared a path for the quick-stepping backfield (composed of quarterbacks Dan Cushman and Wayne Giardino; halfbacks Rene Corbitt, Robert Corbitt, Phil Galioto, and John Watson; and fullback John Carroll).

Missed

Jack Daniel (74) and Tadziu Trotsky (70) brought down the spark of Pahokee's team, Calvin Peacock (20), in the first quarter.

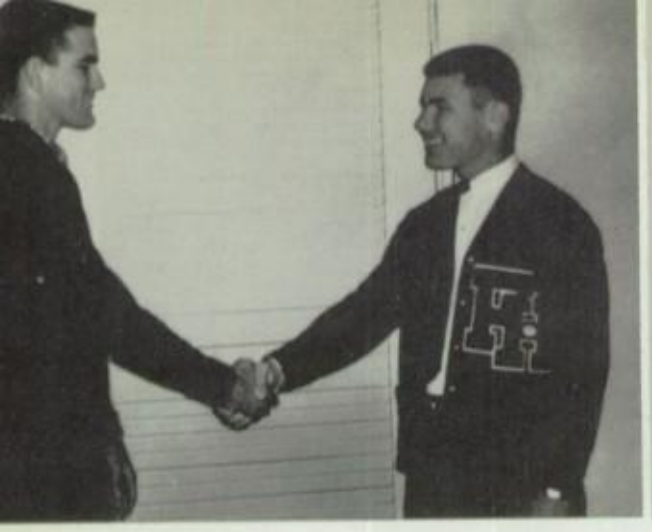
GRIDIRON



Fred Odena and Tadziu Trotsky were selected as Captain and Co-Captain, respectively.

John Watson was awarded the "Most Valuable Player" trophy.

FOOTBALL BANQUET

Principal Edward Eissey of Greenacres School served as master of ceremonies at the annual football banquet on December 21, 1961, at the Town House.

Mr. Richard Howser gave an inspiring speech to the squad, emphasizing the importance of perseverance and integrity. Coach Riggs then announced the selection of Fred Odena and Tadziu as Captain and Co-Captain, respectively, and called John Watson to receive the "Most Valuable Player" award.

Fred Odena expressed the appreciation of the players for the guidance of the coaches and helped Dan Cushman present gifts to the coaches.

JUNIOR VARSITY FOOTBALL

Many hours of drilling and scrimmage were combined with excellent cooperation among the team members to make this year's junior varsity season successful.

Away from the glamour and excitement of the varsity games with their bands and halftime shows, the junior varsity squad, ably cheered on by the junior varsity cheerleaders and a handful of spectators gained invaluable experience. They developed the strength, endurance, and character to increase their stature as real players, the reservoir from which the varsity Falcons will spring in future years.

Proudly wearing the red, white, and blue, they not only build school spirit but also create friendly relations with other schools.

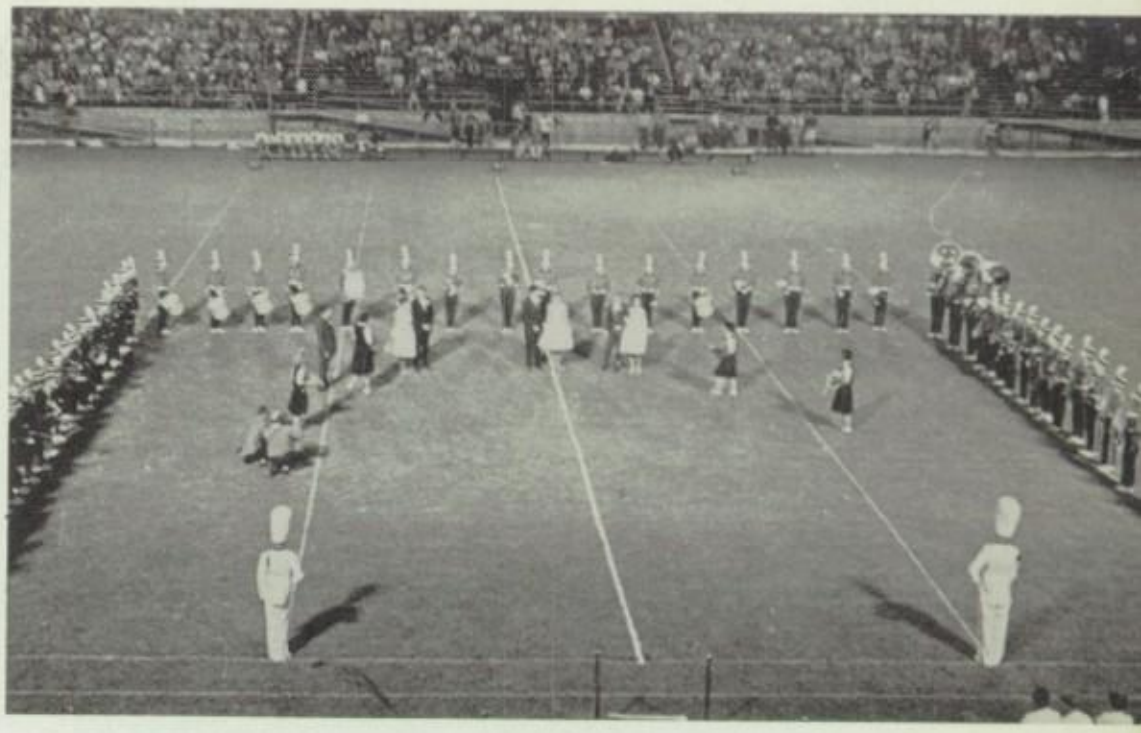
SENIORS SPONSOR FIRST HOMECOMING

The first annual homecoming was a memorable one. Clubs competed for recognition by providing colorful displays that graced the campus during homecoming week. The highlight of the festivities was the crowning of Forest Hill's first Homecoming Queen, Diane Felsing.

The alumni proved their loyalty for their alma mater by their lusty cheers as the Falcons played a victorious game over Riviera's Hornets. After the game, the alumni were honored at a dance, where they renewed acquaintances and relived memories.



Homecoming court awaited the crowning.

Homecoming displays were arranged by clubs.

BASKETBALL

Sharing first place in the Suncoast Conference with Riviera Beach High School, the varsity basketball squad enjoyed its most successful season this year. The Forest Hill cagers commanded a remarkable record of victories over rival teams, sparked by the towering twosome, Harry Winkler and Frank Saier. Winkler held second place in Conference scoring, accumulating 418 points in 16 games.

Veteran Roger West won acclaim by his cool command during the crucial second game with Riviera Beach. Throughout the season, during tight games, Wayne Giardino and Charles Cone displayed excellent control and skill. Inspiration to the entire team came from Louis Sansevero's outstanding play in critical periods.

The junior varsity squad performed very creditably, appearing in the win column with regularity.

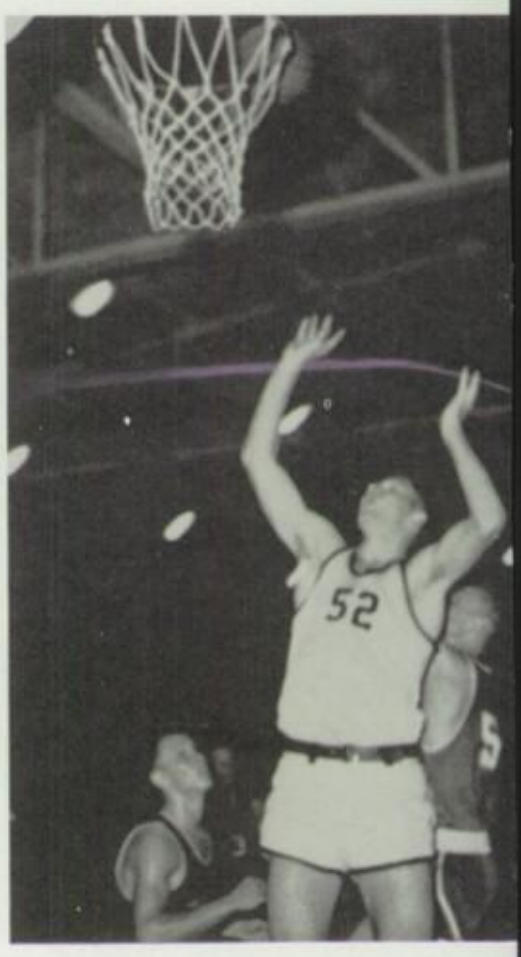
(*Non-Conference Games)

The team decided on a change in strategy during timeout in a grueling game with Cardinal Newman.



Height, skill, and clear thinking kept Winkler the top scorer. His 55 points in one game was a record.

The entire student body witnessed the tense battle against Pahokee in the exciting afternoon game on December 19.

BASEBALL

The 1962 baseball season began with a small but persevering team, including six returning lettermen. While the schedule appeared formidable, the steady practices insured that a mighty effort would be made to keep the Falcons in the win column.

During the 1961 season the Falcons won fifteen games and finished second in the Suncoast Conference. Depth in pitching was a great asset, as was the unity developed over the two years that the team had worked together. Support of students was greater because of the completion of the new baseball field, and attendance at games by loyal fans stirred the team to its best season.

TRACK

The 1962 track team, looking back on the mediocre season of last year, set out to better its record in the Suncoast Conference meets. Coach Jerry Jacobs called for an early turnout of track participants and established strict practice rules.

Preliminary meets were scheduled for March and early April, to be followed by the Palm Beach County meet on April 18 and the Conference meet on April 25. The District meet in Miami, May 5, and the State meet in Gainesville, May 12, concluded the season.

The relay team practiced fast starts. Pictured are (left to right) Richard Calvitt, John McCarty, Phil Galioto, and Robert Corbitt.

Harry Winkler aimed for another trip to the State meet.

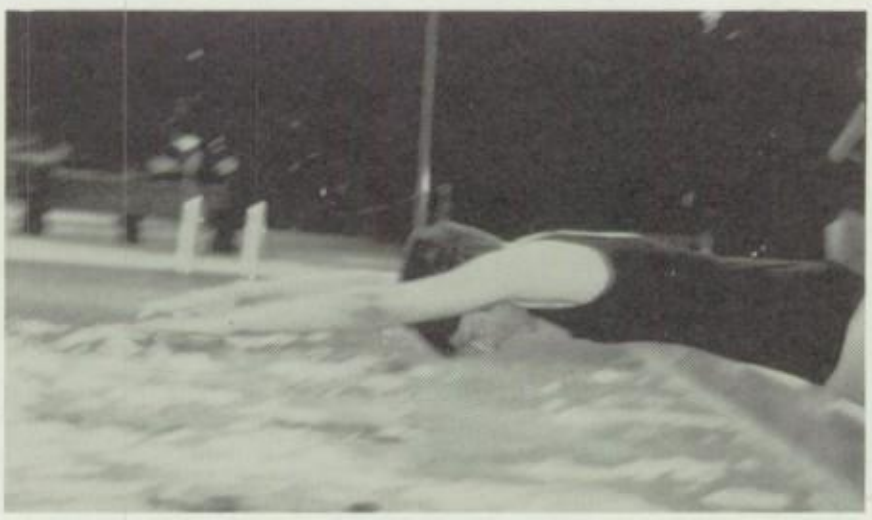
(Missing from picture: Donna Hall, Susan Myers, Arthur Goldman, Robert McClung, Louis Sansevero, and Manager Barbara Teller).

Patricia Lawver excelled in free style, winning points in every meet.



Michael Doane was high point man in butterfly and breast stroke.

SWIMMING

Coach Andrew Botney began the 1962 season with eighteen returning letter winners with several promising prospects. The schedule called for two meets with each of the Suncoast Conference schools participating in swimming. Students who placed in the district meet, held at the end of the season, were slated to enter the state meet.

Joann Frazier made points in back stroke heats.

Patricia Mazzola, the most versatile swimmer, performed ably in long-distance free style events.

Ernest Perrow was the back stroke point man.

TENNIS

The tennis team began the 1962 season with several seasoned players, included nationally ranked Robert Harris. The schedule included games with schools in the Suncoast Conference, plus the county, district, and state meets. Tension was high throughout the season as players sought to equal the conference win of the 1961 team.

(Left to right) FIRST ROW: Jane Finney, Kay McLaren, Connie DePew, Barbara Belwood, Lorraine Higham, Margaret Gamble, Jerry Erneston. SECOND ROW: Arthur Venezia, Jimmy Erneston, Ronald Horton, Robert Harris, Ronald Gornto, Donald Dickey, Coach George May.

Lorraine Higham startled opponents with her skill in lobbing.

Ronald Horton's backhand skill never failed.

Barbara Belwood's forehand drives were well directed.

Robert Harris, ranked third in the state, competed in national meets.

Michael Booth relied on his putting skill to win short games.

Sharon Richards, fourth in state in 1961, showed the same accuracy in '62.

Alicia Cuomo excelled in long, straight wood shots and stayed in the win circle.

Jay Sturgis, low scorer in most meets, *always* shot out of sand traps.

GOLF

The 1962 golf team contemplated its Suncoast Conference schedule with enthusiasm, relying on Sophomore Sharon Richards and Junior Jay Sturgis for continued strength all the way to the State meet. Sharon placed fourth in the State meet in 1961; Jay has always been a medalist.

The 1961 team tied Lake Worth in Conference play, losing only one of fourteen matches. Coach Lee McKinney has continued to guide both girls and boys toward steady improvement, urging them to exceed last year's final record.

Keyettes (white shirts) overpowered the spunky Lionettes (dark jerseys) in the annual contest. There were no unhappy girls, however, for the funds earned by their performance enriched their scholarship funds.

THE BASKETBALL FROLICS

Kay McLaren led the Keyettes in scoring.

Joann Frazier had several free throws for the Lionettes.

On February 21, with teeming bleachers of partisan spectators cheering for their favorites, the four service clubs engaged in a repeat performance of their "basketball frolics."

The Keyettes and Lionettes engaged in a spirited game that may be variously described as violent, hilarious, one-sided, and energetic. The Keyettes emerged as the victors, the final score being 35 to 19.

The Junior Exchange Club and Key Club boys carried on the tradition of supporting the school's major teams with a grand display of "technique, drama, and excitement."

Junior Exchange Club boys gave their best in half-time show.

LETTER GIRLS AND LETTERMEN

The Letter Girls' and Lettermen's Clubs are honorary organizations with a major purpose of recognizing athletic abilities and sportsmanlike performance in major sports.

Boys and girls who compete in varsity sports earn a school letter if they fulfill all requirements of participation and sportsmanship. The cheerleaders and girls who perform on G.A.A. intramural teams also may earn a letter. Presentations are made at the conclusion of each major sports season.

Band Director John Munroe, announcing concert numbers

Forest Hill High School is very fortunate in having an extremely talented group of students paricipating in the musical segment of our entertainment. They annually demonstrate their versatile abilities, marching on the football field, assisting with assemblies and pep rallies in the auditorium, performing in band clinics, and presenting exciting concerts.

Two special invitations were extended to the Falcon Band this year. The first was to march in the Orange Bowl Parade in Miami, an occasion that provided thrills to parents and friends who watched them on television. The second was to play at the welcoming ceremony when President Kennedy arrived at Palm Beach International Airport with the family of Lt. Col. John Glenn.

The activities to which band students devote time and effort will insure their future successes in music. At the same time, they are sharing exhilarating hours of fun and are making a genuine contribution to the entire school program.

Sparkling in their red, white and blue uniforms, the Falcon band delights every spectator, wether they are on stage in a concert performance or out front in a difficult routine at halftime.

Daily rehearsals lead up to . . . the annual Christmas concert.

Idasue revealed new talent at concert.

Seventh grade band students earned applause.

ENSEMBLES

Members of the band are encouraged to perform in small groups in order to increase their abilities on individual instruments. Special instruction is provided to enable the ensembles to experiment with various types of music and to develop within the group the best talents of which the students are capable.

After students became adept at ensemble work, they progress to individual solo performances. They are encouraged to compete at band clinics during the year.

NATIONAL HONOR SOCIETY

On February 12, 1962, new members were inducted into the Forest Hill Chapter of the National Honor Society. President Sharon Carpenter explained the purposes of the Society and introduced four members (Thomas Mann, Penney Yoakley, Richard Everhart, Diane Felsing) who lighted the candles representing scholarship, character, leadership, and service.

The purpose of the Society is to hold up before the entire school the objectives described by these quotations from Sharon's introductions:

"Happy is the man that findeth wisdom.

"Character is achieved—not received.

"Leadership is thinking and acting for many.

"Service is the giving of one's self."

Members seek nothing for themselves beyond the strengthening of their own resolves and the exemplifying of habits and efforts that will be models for others to follow.

Thomas Mann lighted the torch of scholarship as new members were inducted.

QUILL AND SCROLL SOCIETY

New members, selected at the end of first semester, were informed of the Chapter's plans for the remainder of the year.

The Rae O. Weimer Chapter of Quill and Scroll Society was chartered in 1960, at which time Dr. Weimer met with the members and presented to the Chapter a plaque to contain the names of the outstanding Seniors in journalism each year. The first winners were Mary Snyder (newspaper) and Elizabeth Ayoub (yearbook), Seniors in 1961.

Membership in Quill and Scroll is reserved for those members of the publications' staffs who demonstrate outstanding ability in writing or financial areas, maintaining at the same time high scholastic standing.

JUNIOR EXCHANGE CLUB

Members maintain outdoor announcement board.

The club awards a live turkey to a lucky guest at the annual Thanksgiving dance.

"Unity for service" is the main endeavor of the Junior Exchange Club, which is a branch of the National Exchange Club and is sponsored by the South-West Exchange Club of West Palm Beach.

The club is devoted fully to creating better students and better citizens of this country. The club sponsors many activities for the betterment of the school and of the community.

The annual camping trip taken by club members encourages the boys to become better acquainted with each other, to provide for themselves in outdoor living, to grow in maturity in group relationships, and, at the same time, to have fun.

KEY CLUB

The Key Club, sponsored by the Southside Kiwanis Club, continues as a very active service club of the school and as an active member of both the Florida District and Key Club International. Delegates attend the state and international conventions.

As members seek to serve the school and community, they seek to promote the ideals included in their objectives; .these ideals are: To give primacy to the spiritual rather than the material values of life; to encourage the daily living of the Golden Rule; to promote the adoption and application of higher standards in scholarship, sportsmanship, and social contacts; to develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship; and to cooperate in creating and maintaining sound public opinion and high idealism which make possible the increase of righteousness, justice, and patriotism, and good will.

New members were presented envelopes of membership materials.

KEYETTES

Service to the school and to the community is the purpose of the Keyette Club. Their motto, "We help build," instilled in the heart and mind of each Keyette, helps to make her not only a valuable student today but also an active, worthwhile citizen of tomorrow.

Selection of yearly projects by the Keyettes conforms to the motto, for they provide financial aid to high school girls in need of assistance to remain in school, earn funds to be used for scholarship aid to a Forest Hill High School girl graduate attending Palm Beach Junior College, and arrange entertainment for groups of underprivileged children.

The club's check for $175 was presented to Mrs. Elizabeth Crockett, Scholarship Chairman of Palm Beach Junior College.

Members decorated the cafeteria for the annual "Mistletoe Ball," at which Santa Claus made his scheduled appearance.

LIONETTES

Lionette Club members seek to create and foster a spirit of "generous consideration" among the students of Forest Hill High School, exemplifying their purpose by taking an active and enthusiastic interest in the social, academic, athletic, and civic projects of the school. They stress loyalty to school, community, and friends, as well as being true to their individual ideals.

Lionettes collect and purchase food and clothing for a needy family at Christmas. They contribute a useful gift to the school and earn money for scholarship aid to a student at Palm Beach Junior College. They sponsor the annual stag dance, which is held one week after the Junior-Senior Prom.

HI-Y

The Hi-Y is a unique fellowship of boys united by friendship and a common purpose and affiliated with the state, national, and international Hi-Y movement.

The members commit themselves to the development of a stimulating program aimed to carry forward their objective of creating, maintaining, and extending high Christian standards for home, school, and community. They strive for personal integrity and self-discipline; they volunteer to perform useful community service.

The members arranged to have the new Code of Conduct adopted by the student body inscribed on a plaque, which was presented to the school.

Mr. Westbrook and President Duckworth discussed with John Watson the plaque presented to the school by the Hi-Y.

Y-TEENS

The goals of the Y-Teens are these: to grow as a person; to grow in friendship with people of all races, religions, and nationalities; and to grow in the knowledge and love of God. Y-Teens belong to a world-wide fellowship of women and girls of every race, creed, color, and occupation in YWCA's in seventy countries.

The Y-Teens' projects include selling Christmas cards for UNICEF, making Christmas presents for the faculty, and giving a Thanksgiving basket to a needy family.

JUNIOR RED CROSS

The Junior Red Cross Council joins with councils of other schools on a local, national, and international basis to work for better human relations througout the world.

Major projects of Forest Hill High School's council include serving the school by supervising the publication of the student directory and stenciling safety signs on exit doors. Extending into the community, members of the council aid in service projects for hospitals and shut-ins. With students from other schools, interested members work at the local American Red Cross Chapter office and participate in study courses that prepare them for community service in time of disaster.

The main service project of the members is the publication of the Student Directory.

Posters advertised the "Campus Wolf."

Members prepared luncheon places for 200 guests at District meeting.

County Commissioner Lake Lytal attended District meeting.

D.C.T. CLUB

The Diversified Cooperative Training Club aids in fostering a true spirit of cooperation among other student groups, employers and trainees, and school and community, and in developing character, scholarship, and leadership. The club's motto is "today we follow; tomorrow we lead."

Some of the civic projects carried on include a student placement bureau, addressing envelopes for the Crippled Children's Home, and fitting and ordering caps and gowns for seniors. Fun projects include the employer-employee banquet and dance, a school dance, and the sale of school mascots and booster buttons.

Forest Hill High School's DCT Club played host to the Florida Cooperative Education Clubs' District VIII meeting on February 10 and sent delegates to the State Convention in Jacksonville in April.

ART CLUB

The goals of the Art Club are to promote more understanding and appreciation of art forms, to increase understandings of the role of the artist, and to provide opportunity for further work in art. Joining together to achieve these goals are students who are interested in art as a hobby and career art students.

Members have visited local galleries and have talked with artists and craftsmen. They have taken trips to the Emily Lowe Gallery in Coral Gables and to the Ringling Museum in Sarasota.

A major project of the club was the painting of scenery for the operetta presented by the music department. Assistance has been given to many minor projects of clubs and departments, providing members with opportunities to experiment with a variety of materials.

F.T.A.

The Future Teachers of America seek to acquire knowledge about the development and purposes of our public schools, to recognize the qualities and aptitudes that are basic to successful teaching, and to learn of vocational opportunities for those who major in education.

The members participate in prevocational activities which are exploratory and developmental in nature. Self-evaluation is coupled with guidance by sponsors and members of the teaching profession. Faculty members are invited to share their philosophies and to discuss the problems involved in selecting the field of study for which an individual is best suited.

This year, the members visited Royal Palm School to observe the challenges presented in teaching exceptional children and to inquire of the teachers there about the special training required for such teaching.

Mr. D'Angio explained the challenges offered in the teaching profession.

Mr. Barclay, Mrs. Gunby, Mrs. Williams, and Mr. Varju were invited to describe their personal philosophies of education.

Members check first aid supplies in the school's clinic.

Mrs. Audrey Lester, Director of the Crippled Children's Center in Palm Beach, conducted members on a tour of the Center.

The purpose of the Future Nurses Association is to provide information and experiences for girls interested in careers in medicine, whether in nursing or another specialized field. Visits to hospitals and clinics enable students to observe and to obtain answers to questions concerned with qualifications and training for various positions. Guest speakers aid their sponsor in guiding students toward realistic choices of careers.

Members assist the deans by helping to maintain the clinic of the school. They place first aid supplies on the shelves and perform various tasks required to keep the clinic clean and neat.

This year the club was host to the district meeting of the Future Nurses Association of Florida, making arrangements for the registrations concerned with qualifications and training for various positions.

Various small money-making projects of club members enable them to send a representative to the state FNA convention each year.

SPEECH AND DRAMA CLUB

Members practice the art of stage make-up prior to the production of the annual play.

The "Curtain Raisers" encourages interest and enthusiasm in speech and drama among the club members and among the entire student body.

The club activities include attending plays outside of school, producing and presenting a play, learning the art of applying stage make-up, and designing and arranging scenery. The interest stimulated by the club has acquainted its members with the diversified activities of the theater.

(Left to right) FIRST ROW: Michael Booth, Diane Felsing, Martha Elfen, Penney Yoakley. SECOND ROW: Gary Dupere, Steve Uman, Walter Wilson. THIRD ROW: William Renfro, Phyllis Warrick, Wainwright Love, Mr. John G. Abbott (Sponsor).

CHEMISTRY CLUB

The Chemistry Club was organized for the purpose of permitting students additional opportunities to experiment and to advance in knowledge of subjects related to chemistry.

Members carry out experiments that require more time than the class period during the day permits. Work in mathematics, including practice with a slide rule, is directed by the sponsor.

(Left to right) FIRST ROW: David Powner, Captain; Valerie Duval, Co-Captain; Linda Lynes, Secretary-Treasurer; Mr. John Snider, Sponsor. SECOND ROW: Justine Hartman, Holly House, Brenda Pillsbury, Donald Sachs, Howard Freeman, Jack Sipperley, Gary Garson, Steve Uman, Isabel Barten, Joan Seal, Constance Wyatt.

The Debate Team is composed of students who possess a genuine desire to develop good speech habits, to organize their material for logical presentation, and to "think on their feet."

The Team joins in the county-wide program of inter-scholastic debates.

SPANISH CLUB

A mantilla from Spain and a fan from Sevilla were shown to club members by native Cubans, Mrs. Lydia S. de Tittle, Vivian Arias, and Eunice Pérez.

Los Castellanos has as its major purpose the enrichment of members' knowledge and abilities from the study of the Spanish language and culture.

Natives of Cuba, Spain, or other Latin-American countries are invited to speak to the club. They frequently exhibit clothing, jewelry, and other items from their native countries.

Members present original skits in Spanish for the enjoyment of all. Attendance of the members at the movie *El Cid* in Miami was an unusual treat.

The major project of each year is participation in the Pan-American Fiesta, an assembly program presented to the entire student body.

FRENCH CLUB

Members presented a series of original plays at their Christmas party, including "Santa Claus on Trial."

L'Etoile de la Culture Francaise is composed of students who wish to put their knowledge to use. The purposes of the club are to provide an opportunity for French students to meet French citizens; to see long films of French life; and to permit members to compose and present original plays in French.

The projects of the French Club include writing to pen pals in France, raising money to purchase a gift for the school, and contributing records and materials to the language laboratory.

SAFETY CLUB

The Safety Club, sponsored by the Southside Lions Club, promotes safety in vehicle maintenance and operation by requiring members to maintain their own vehicles in top condition at all times. Every member's car is given a safety check every three months, with a follow-up inspection for those found unsatisfactory.

Members pledge to conduct themselves in a safe and sportsmanlike manner. They endeavor to bring credit to themselves and the club by careful and considerate driving on public highways.

Members gather prior to the meeting to coax Mr. Carpenter into giving an oral preview of the evening's film.

Intramural volleyball teams compete for first place.

Bowling teams meet for after-school matches at the Major-League Lanes.

G.A.A.

The Girls' Athletic Association provides an opportunity for girls to enjoy team sports of various kinds. The club strives to promote good attitudes toward sports and to instill desires for good sportsmanship.

As a result of membership in G.A.A., girls are able to earn a school letter by participating actively in the various intramurals and activities that are scheduled.

PEP CLUB

The Pep Club organizes to provide strong cheering support for the varsity teams. Members held regular practices with the cheerleaders at the beginning of the year and aided the studnt body to learn the cheers and songs by setting the example at pep rallies.

Members attended all home games. A group of members traveled by chartered bus to many of the out-of-town games.

"Onward, Falcons!" is the cry as shakers are waved.

GRADUATE INTO FLORIDA'S FUTURE!

An education at one of Florida's outstanding institutions of higher learning will prove a valuable asset in the years ahead.

Remember also, that every Florida "learning hour" can be transformed into Florida "earning power". No other state offers more promise for action-minded, well-trained young people. Reddy Kilowatt suggests that you make a study of the growing opportunities in the Sunshine State and find out why so many Florida grads find Florida ideal for a lifetime of profitable "home-work".

"A FRIEND"

EPILOGUE

It is our hope that during the decades ahead this book of record will refresh the memories of all who have shared the year's activities—that it will strengthen bonds of friendship and loyalty to Forest Hill, that it will deepen the resolves of graduates to attain their objectives throughout their lives.

In these final pages, as we reflect upon the highlights of the year, we have chosen to recognize those who stood before us to inspire and to fortify us in our search for truth and understanding.

"Will the student body come to order?"

Student Council President John Watson presided with dignity and assurance at assemblies, exemplifying the leadership quality that the office signifies.

"I will lift up my eyes unto the hills . . ."

Vice-President Louise Rothenberg selected and read with reverence those passages of scripture applicable to each occasion.

We have received from our Student Council officers, from our teachers, from those responsible for our curriculum and for our buildings, and from visitors to our campus the encouragement to forge ahead in the many areas of interest and concern of our day. We feel that readers of the 1962 *Gauntlet* will share our gratitude that "youth in action" is ever guided by experienced leaders and dedicated servants of the people.

THE *GAUNTLET* STAFF

Representing the Board of Public Instruction, Mr. Ralph Kettler has come each fall and each spring to inform us of the accomplishments already made and of the plans for the future.

The Key Club has held each spring a special assembly, at which time are presented to the members of the faculty individual certificates of appreciation for the efforts and interest of teachers.

Mr. Hobson acknowledged for the teachers their appreciation for the honor given to them.

Candy
You are a real sweet girl.
I hope you will have fun
in your senior year.
Good luck always.

Commander Graham, USNR

One of three men selected by the government to present a speech to high school students, Commander Graham held the student body spellbound as he recounted the experiences of GI's in Korea. "Know what democracy and your government stand for," he said, "and you will not fall under the spell of those who would change your allegiance or who would endanger your country's future."

The Rev. Ralph Harrell, Baptist Missionary to Tanganyika, Africa, described the geographical features of East African nations and discussed the customs of the people whom he served. He pointed out that young people have many opportunities to contribute to the world situation. "As you go as representatives of your country, you can do the most good by trying to win good will for the United States," he concluded. "By winning good will, you will make it easier for those of us who are missionaries."

The Rev. Ralph Harrell

The Rev. Ralph Harrell

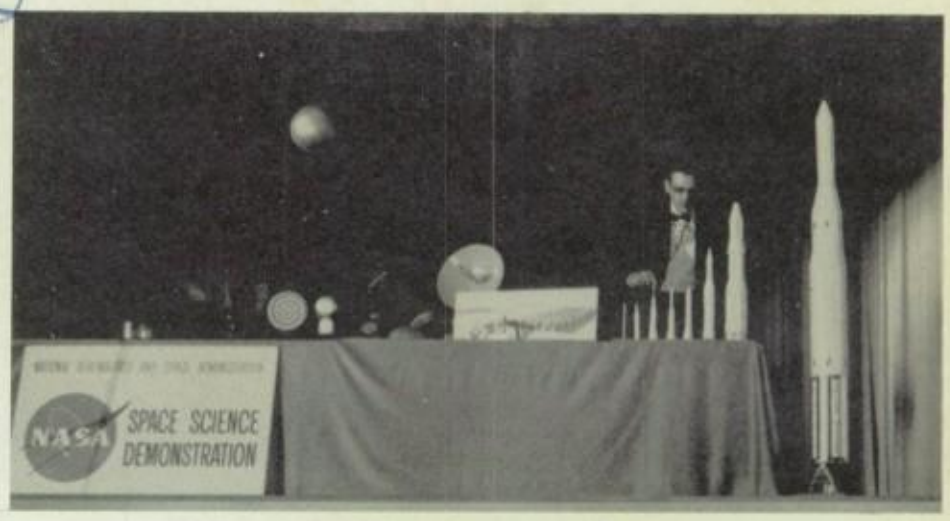
Outstanding men of the community were invited to speak to the student body on various topics concerned with our government, our democratic ideals, and the evils of Communism. These assemblies were planned as a part of the program of the state of Florida to educate high school students to become aware of the problems involved in the "cold ware."

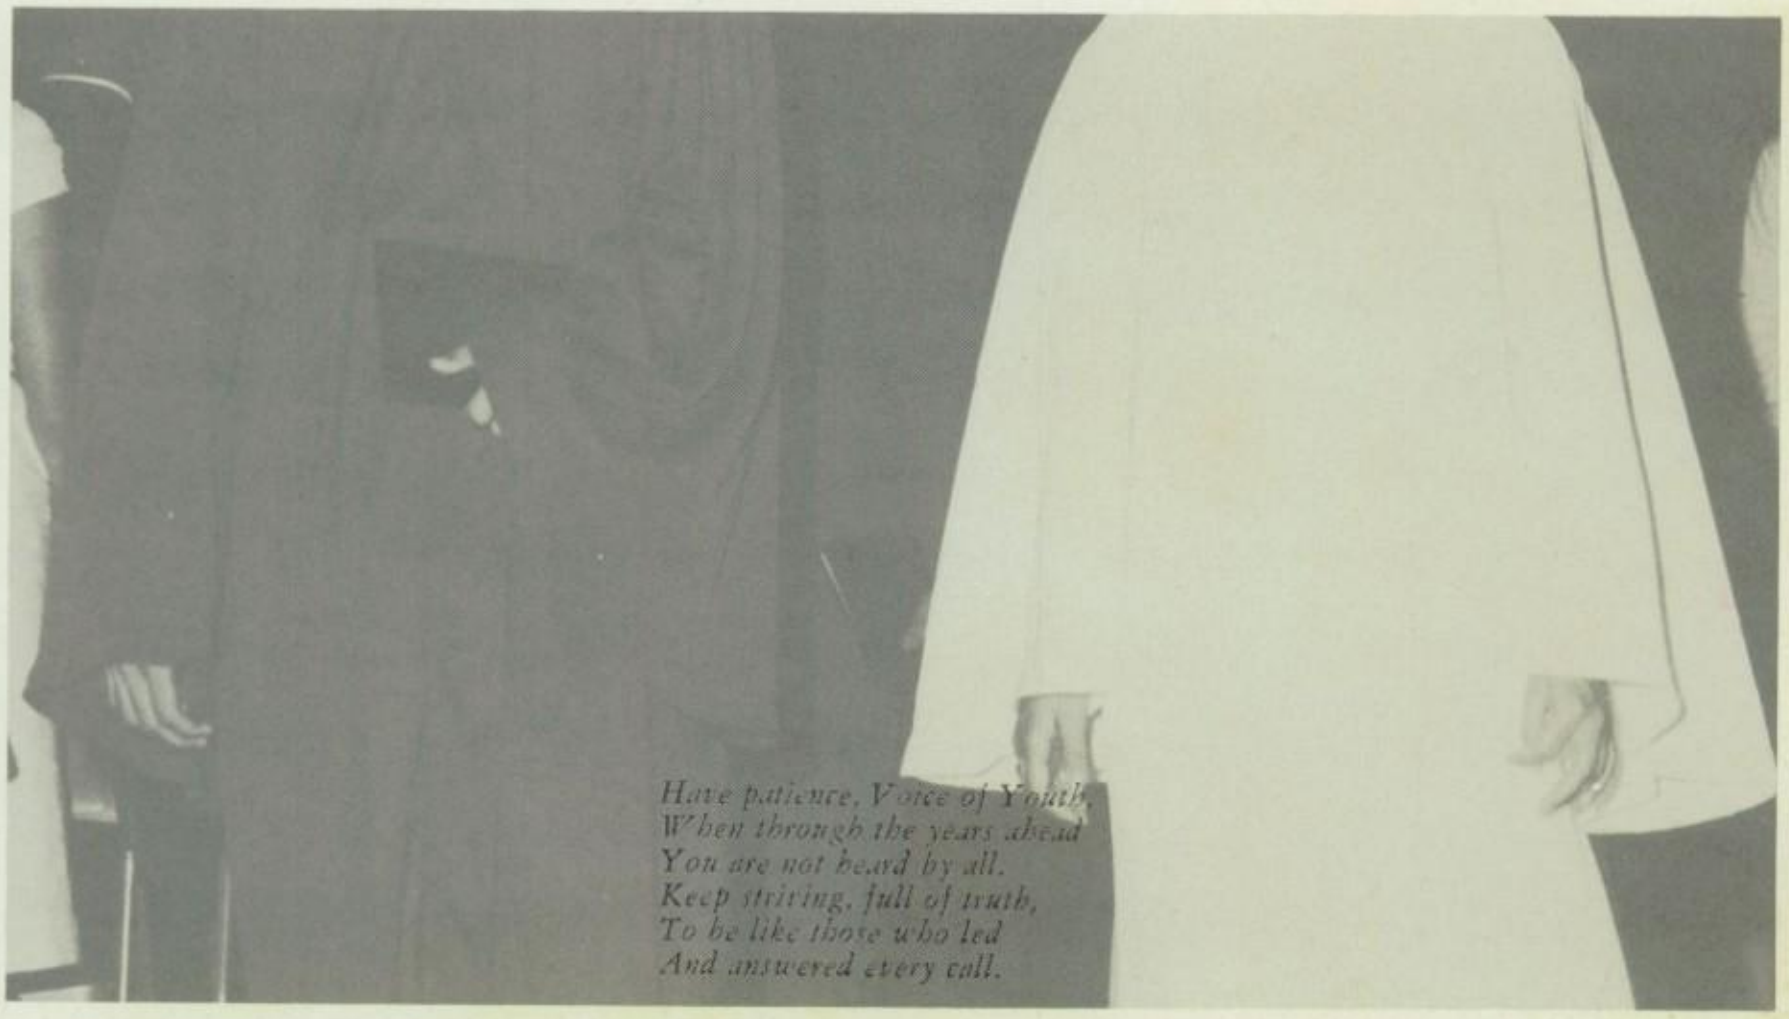
Mr. Albert Sims, local attorney of West Palm Beach, discussed the evils of Communism.

Repr. Paul Rogers (Dist. VI) reported on current problems.

Mr. Philip Lovejoy of Lake Worth spoke on "The Fabulous Sixties."

Mr. Oberly, representing the National Aeronautics and Space Administration, discussed advances being made in space science. He demonstrated various basic principles and outlined advances that we may expect in the future.





Have patience, Voice of Youth,
When through the years ahead
You are not heard by all.
Keep striving, full of truth,
To be like those who led
And answered every call.

CANDY,

WE'VE HAD A FEW LAUGHS TOGETHER, (TWERP DANCE, SCHOOL DANCES, ETC) AND I FEEL THAT THROUGH THEM I'VE COME TO UNDERSTAND YOUR STRATEGY (?) WELL... MOST OF THE TIME! BEST OF LUCK AT FH NEXT YEAR, AND I HOPE WE CAN REMAIN GOOD FRIENDS.

LOVE,

P.S. DON'T FORGET THE "SLOP"

My dearest Candy,

Thank you Candy, thank you from the bottom of my heart, for being the closest and very best friend I have ever had. You are the only person I have ever had complete confidence in, and the only one to whom I could really talk. I feel also that you are the only one who has ever really understood me and my ways. Thank you for putting up with me, for I realize that I leave much to be desired, both physically and mentally. For your kindness, friendship, and understanding I sincerely say, once again, thank you.

In the short time I have known you, we have had many good and happy times together. I'll remember them until my parting breath. Unfortunately, there were bad times and unhappy times. But all of life can not be a bed of roses. For have always given me another chance and for this I am grateful. I sincerely hope that the distance that will separate us next year will not make any difference between us. Oh, what a test it will be. I pray we can both pass this crucial test. I hope this does not sound like a farewell to you. It isn't. Oh, how I hope and pray it is just a beginning!

God bless you Candy, and may He watch over you guide you, keep you, and bless you with all the happiness and joy life can offer.

With all My Love,

Steve

Dearest Candy; —

Really Candy you give me such a hard time, you hardly ever pay attention to me and I try so hard — you dont even know I'm alive, I worship the ground you walk on, I get hot and cold allover when I'm near you. I love you, do you love me? We could be so happy together I will never forget you as long as I live, you will always be the most beautiful girl in the world to me. I love you do you love me? Maybe if you would give me a chance — I love you do you love me?

Love Forever and ever and ever and ever and ever.

Candy,

To the sweetest and cutest girl I know, Best of luck in the future.

Love ya,

Mike

Dear Candy—
I think you're the
(Candy) sweetest girl in the
3r. class maybe even in
the whole school. I'm sure
Trying to make excuses for why
I didn't take you to the prom
But I remember what you said about
hope you have now dated before, that
I had never dated before, that
mean so I probably sounded like
ed a "dud" right. But all in
ll it's been great knowing
you this year, and I hope
you don't hate me for not taking
against me for not taking
you to the prom.
Merry xMas
You deserve
love

(ANDY)
To
Not much room to
say all the things
about such a sweet
girl. You're one of
the best and you
Deserve the most
lots of love
